

Graduate Certificate Program for Non-Degree and Degree-Seeking Students
Genomics and Bioinformatics

Name: _____ ID: _____ Campus: _____ Date: _____

Course	Credits	Term	Title	Semester & Year
PH 2970* Or PH 2815	3	Fall	Fundamental Human Genetics Concepts Genetics and Human Disease	
PH 2830	3	Spring	Clinical Genetics in Epidemiology	
PH 2782	3	Spring	Practical Computational Genetics and Bioinformatics	
PH 2780	3	Summer	Applied Genetic Methods in Public Health (Renamed: Genetic Epidemiology)	
Total Credit Hours:	12			

**PH 2970 is the recommended first course if a student has no prior coursework in biology and genetics*
