| R. Palmer Beasley M.D. Travel Award in International Research  
For continuing SPH students working on important public health issues in a developing country of Asia, Africa or Latin America. Funds can also be used to support travel costs of graduate students, post-doctoral students or junior faculty from developing countries to come to the U.S. to work with SPH faculty. Application forms for this annual scholarship are available in February and applications are due in March. For the application form, see the UTSPH Scholarships website.  
Lu-Yu Hwang, M.D. and R. Palmer Beasley, M.D. Scholarship in Global Health  
Eligibility: Continuing student with interest in Global Health. Award is based on academic merit. See the UTSPH Scholarships website.  
Please refer to the UTHealth SPH Practicum site for requirements regarding the practicum experience and for more available opportunities. |

| Conferences | Houston Global Health Collaborative  
Annual Impact Global Health Conference  
Annual event every Spring  
This is a gathering of interdisciplinary health professionals in the greater Houston and Gulf Coast areas who are concerned about, and working in, the exciting field of Global Health. Students and professionals come from multiple institutions throughout the Houston and Gulf Coast areas, and practice disciplines ranging from public health and medicine, to nursing, dentistry and pharmacy.  
University of Texas Medical Branch at Galveston
