Hazardous Substances Data Bank
This is one of several research tools available from the National Library of Medicine.

At the search results page, click on the item you want to view. 84 items have been retrieved that contain the phrase “liver cancer”.

Vinyl Chloride Report

Enter your term and click on Search.
Notice the “quotation marks” around the term? This forces HSDB to search for the phrase.
The plus sign (+) indicates that you are viewing all of the sections within that chapter. The minus sign (-) indicates that there are sections in the chapter. Click on "plus sign to expand the section."
