

David Douphrate Awarded CPE Certification

The Board of Certification in Professional Ergonomics (BCPE) recently awarded certification of David Douphrate, an Assistant Professor in the Division of Epidemiology, Human Genetics and Environmental Sciences at the San Antonio Regional Campus faculty. David was granted the distinguished Certified Professional Ergonomist (CPE) credential. This credential is awarded to the ergonomics professional who has a bachelor's degree and academic coursework covering the BCPE core competencies; three years of full time professional practice in ergonomics and passed a written examination. Dr. Douphrate conducts research in the cause and prevention of work-related musculoskeletal disorders and ergonomics and teaches courses on health and safety management and occupational safety.
