

Purchase of Software at UT Houston Bookstore

Students Located In Houston

Students located in Houston need only to visit the Bookstore at the Medical School (6431 Fannin, Suite B-600, Houston, TX 77030, 713-500-5860) or the Bookstore located in the UT School of Nursing Building one the second floor above the cafeteria. You will need to present your UT Houston Badge to purchase software. Students are limited to one license per product while admitted as a student.

Students Located Outside Houston

Students located at a Regional Campus will find it difficult to purchase Microsoft licensed products from their local UT Bookstore. The strict nature of the contract with Microsoft has led to these problems. However, if you are willing to complete some paperwork and have some patience with the process, you can purchase the software from the UT Houston Bookstore located in Houston.

Here are the steps required.

1. Print and complete the "Campus Agreement..." form located on the page 2 of this handout. Make sure you complete it in full.
2. Obtain proof of your admission in the current semester. This needs to be a printout from the student information system and should clearly have your name, student ID (A#), and show the currently enrolled semester.
3. Identify a credit card form of payment.
4. Understand where you want the items shipped to.
5. FAX the first two items to the UT Houston Bookstore at 713-500-0540 (or you can scan and email these items to manager@uthoustonbooks.com)
6. Call the UT Houston Bookstore at 713-500-5860 to complete the process by providing them your credit card information for payment and your mailing address.
