

CURRICULUM VITAE
J. Michael Swint, Ph.D.

October 1, 2010

University of Texas School of Public Health
1200 Herman Pressler Drive
RAS Suite-E933
Houston, Texas. 77030
Tel: 713-500-9158; Fax: 713-500-9493
John.M.Swint@uth.tmc.edu

Current Positions

George McMillan Fleming Professor, 2006-present
Director, Division of Management, Policy and Community Health, 2003-present
Professor of Health Economics, 1985-present
University of Texas School of Public Health
University of Texas Health Science Center-Houston

Professor of Health Economics, 2000-present
Center for Clinical Research and Evidence-Based Medicine
University of Texas School of Medicine
University of Texas Health Science Center-Houston

Adjunct Professor of Economics, 1985-present
Department of Economics
Rice University

Education

California State University, Humboldt
B.A., Economics

Rice University
M.A., Economics
Ph.D., Economics
National Science Foundation Fellow
Woodrow Wilson Dissertation Fellow

Previous Positions

Economics Staff
Council of Economic Advisers to the President
Analysis of Monetary and Fiscal Policy Issues
Washington, D.C.

Previous Positions (continued)

Economist
Exxon Corporation
Corporate Planning Department
Corporate Economic Forecaster
Economic Adviser to the Law Department

Assistant Professor of Economics
Department of Economics
College of Business and Economics
Western Washington University

Assistant and Associate Professor of Health Economics
Behavioral Sciences Discipline
University of Texas School of Public Health
University of Texas Health Science Center-Houston

Selected Past Service, University of Texas School of Public Health

Chair of the Faculty
Chair of the Full Professors
Chair of the Tenured Faculty
Chair of the Faculty Policy Committee
Convener, Management and Policy Sciences
Convener, Behavioral Sciences
Convener, Community Health Practice
Member, Admissions and Financial Aid Committees
Member, UTHSC Interfaculty Council

Selected External Service

National Institutes of Health; Task Force on Predictors of and Intervention
Against Hereditary Disease and Congenital Defects
The Hastings Institute, Task Force on the Responsibility of Bearing the Financial Burden
of Voluntarily Assumed Health Risks
Scientific Liaison, Educational Advancement Foundation
National Institute of Alcohol Abuse and Alcoholism; Working Group on
Occupational Alcohol Abuse and Control Programs
Past Chair, Texas State Board of Insurance/Texas Commission on Alcohol and
Drug Abuse-Joint Committee on the Development of Coverage Parameters for
the Implementation of Texas Senate Bill 911: Mandatory Group Health
Coverage of Substance Abuse Treatment

Recent Courses Taught

Health Economics
Advanced Health Economics
Economic Methods for Evaluation of Healthcare Programs
Comparative Healthcare Systems: Economic and Policy Issues
Economic Development and Population Health
Economics and Social Determinants of Health

Selected Doctoral Graduates

Current Position

Elenir Avritscher, M. D., M.H.A., <i>Ph.D., Health Economics</i>	Faculty, University of Texas Medical School–Houston, Center for Clinical Research and Evidence-Based Medicine
Anne Marie Broemeling, M.A., <i>Ph.D., Health Economics</i>	Director of Research and Evaluation, Interior Health Authority, Center for Health Services and Policy Research, University of British Columbia
Thien Vu, M.S. <i>Ph.D., Health Economics</i>	Health Economist & Policy Analyst, UNICEF, Hanoi, Vietnam
Lincy Lal, Pharm. D., <i>Ph.D., Health Economics</i>	Research Specialist, University of Texas M.D. Anderson Cancer Center
Rafia Rasu, M.S., M.B.A., <i>Ph.D., Health Economics</i>	Assistant Professor, University of Missouri School of Pharmacy
Rhonda Ramby, M.A., <i>Ph.D., Health Economics</i>	Assistant Professor, School of Public Health, Florida International University
Yu Fang (Frances) Lee, M.S., <i>Ph.D., Health Economics</i>	Senior Data Analyst, WellPoint, Inc., Los Angeles
Diljeet Singh, M.D., M.P.H., <i>Dr.PH., Health Services Org.</i>	Associate Professor, Northwestern University School of Medicine
Primo Arambulo, D.V.M., M.P.H., <i>Dr.PH., Comm. Health Practice</i>	Professor, University of the Philippines and Program Director, WHO and PAHO
Christine Brosnan, R.N., M.P.H., <i>Dr.Ph., Comm. Health Practice</i>	Division Director, Department of Nursing Systems, and Associate Dean, The University of Texas-Houston School of Nursing
Carol Galeener, M.A., M.S., <i>Ph.D., Health Policy</i>	Assistant Professor, Management, Policy & Community Health, University of Texas School of Public Health

**Selected Doctoral Graduates:
Advisory Committee Member**

Current Position

Anna Johnson, M.A., <i>Ph.D., Health Economics</i>	Associate Professor and Canada Research Chair in Health Policy, Centre for Health Services and Research Policy, Dept. of Health and Community Epidemiology, McMaster University
Ed Hsu, M.P.H., <i>Dr.PH., Health Services Org.</i>	Associate Professor, School of Health Information Sciences, UTHSC -Houston
Tho Bella Dinh-Zarr, M.A., <i>Ph.D., Health Policy</i>	North American Director, Road Safety Director at Make Roads Safe - The Campaign for Global Road Safety and the FIA Foundation
Phuong Hyunh, M.A., <i>Ph.D., Health Policy</i>	Assistant Professor & Deputy Director, Clinical Geriatric Policy Scholars Program, Columbia University; & Associate Director International Health Policy and Practice, The Commonwealth Fund
Yan Xing, M.B.B.S., M.S., <i>Ph.D., Biostatistics</i>	Assistant Professor, Department of Surgical Oncology, University of Texas M.D. Anderson Cancer Center
Dana Curtin, M.P.H., <i>Dr.PH., Health Services Org.</i>	Associate Vice President, Faculty Academic Affairs, University of Texas M.D. Anderson Cancer Center
Afseneh Barzi, M.D., M.S. <i>Ph.D. Health Management</i>	Oncology Fellow, The Cleveland Clinic
Chantal Caviness, M.D., M.S., <i>Ph.D., Epidemiology</i>	Assistant Professor & Associate Research Director, Department of Pediatrics, Section of Emergency Medicine, Baylor College of Medicine
Kirk Harlow, M.P.H., <i>Dr.PH., Health Services Org.</i>	Associate Professor and Chair, Department of Health and Public Administration, Midwestern State University
Hyung-Woo Kim, M.A., <i>Ph.D., Biostatistics</i>	Assistant Professor, Northwestern University School of Medicine
Robert Fulda, M.P.H., <i>Dr.PH., Health Services org.</i>	Researcher, Institute for Health Policy Research, West Virginia University
Charlotte Bratka Sun, M.P.H., <i>Dr.PH., Health Services org.</i>	Assistant Professor, Department of Gynecologic Oncology, The University of Texas M.D. Anderson Cancer Center

Doctoral graduates (continued) **Current Position**

Paul Casperson, M.A., Ph.D., <i>Ph.D., Epidemiology</i>	Senior Researcher, South Texas Veterans Health Care System, U.S. Department of Veterans Affairs, San Antonio
Sarmad Sadeghi, M.D., M.S., <i>Ph.D., Health Management</i>	Oncology Fellow, The Cleveland Clinic
Jie Zhang, M.B.B.S., M.B.A., <i>Ph.D. Health Management</i>	Hospital Consultant, China
Martha Hargraves, M.A., <i>Ph.D., Health Policy</i>	Associate Professor, OBGYN & Director, Outcomes Research, Women's Reproductive Health Research Center, UTMB, Galveston
Jin (Vivian) Huang, M.S. <i>Ph. D., Biostatistics</i>	Biostatistician, Sequenom, Inc., San Diego, California
Kendra Mhoun, M.A., <i>Ph.D., Biostatistics</i>	Post-doctoral National Cancer Institute Fellow, University of Texas School of Public Health
Vance Rabius, M.P.H., <i>Dr.PH., Health Services Org.</i>	Evaluation Manager, American Cancer Society
Barbara Slover, M.P.H. <i>Dr.PH., Comm. Health Practice</i>	Board of Directors, Texas Health Institute, Austin, Texas
Kirk Von Sternberg, M.A., <i>Ph.D., Health Prom/Beh. Sci.</i>	Assistant Professor, University of Texas-Austin, School of Social Work

Recent Abstracts/Presentations

Lal L, Wefel J, Meyers C, Chang E, Franzini L, Reasonda L, Feng, C, Swint JM. Cost-effectiveness analysis based on neurocognitive function of a randomized study with stereotactic radiosurgery (SRS) alone versus SRS plus whole brain radiation therapy (WBRT) for patients with one to three brain metastases. Annual Meeting of the American Society of Clinical Oncology (ASCO), accepted for the June 2010 meeting.

Swint, JM, Economic Development, Population Health and the Role of Infectious Diseases. Presentation at the Center for International Training and Research's 4th Annual Workshop on Integrated HIV Research and Prevention, The Pasteur Institute, Nha Trang, Vietnam, 2009.

Recent Abstracts/Presentations (continued)

Swint, JM, Economic Evaluation of Infectious Disease Control Programs: The Role of Cost Benefit and Cost Effectiveness Analyses. Presentation at the Center for International Training and Research's 4th Annual Workshop on Integrated HIV Research and Prevention, The Pasteur Institute, Nha Trang, Vietnam, 2009.

Lal, L, Miller, L, DacostaByfield, S, Chang, E, Franzini, L, , Feng, C, Reasonda, L, Arbuckle, R, Swint, JM, Application of Time-Trade-Off (TTO) Method to Elicit Utilities in Patients Undergoing Whole Brain Radiation Treatment and/or Stereotactic Radiosurgery for Brain Metastases, Abstract and presentation, 31st Annual Meeting of The Society of Medical Decision Making, Los Angeles, May 2009. Also presented at the Kelsey Research Foundation's Health Services and Outcomes Research Conference, Poster Presentation, Houston, December 2009.

Lal, L, E Chang, L Franzini, R Arbuckle, L Miller, L Reasonda, C Feng, Swint, JM. Cost-effectiveness analysis of a randomized study with stereotactic radiosurgery (SRS) alone versus SRS plus whole brain radiation therapy (WBRT) for patients with brain metastasis. Annual Meeting of the American Society of Clinical Oncology (ASCO), Health Services Research General Poster Session, Abstract and Presentation, Orlando, Orlando, October 2009. Also presented at the Kelsey Research Foundation's Health Services and Outcomes Research Conference, Poster Presentation—1st place prize winner, December 2009.

Xing, Y., Cormier, J., Kapadia, A., Swint, J., Pedroza, C. Bayesian generalized linear models for meta-analysis of diagnostic tests. The 30th Annual Meeting of The Society of Medical Decision Making, Abstract, Philadelphia, 2008.

Eric L. Chang, E., Swint, J.M., et al. Radiosurgery alone versus radiosurgery plus whole brain radiation therapy in patients newly diagnosed with 1 to 3 brain metastases. Presentation at the plenary session of the 50th Annual Meeting of the American Society of Therapeutic Radiology and Oncology, Boston, 2008.

Lee, Y.F. and Swint, J.M. Uninsurance, the local safety net and preventable hospitalizations in Harris County, Texas. Texas Public Health Association Meeting, 2008. Y. F. Lee won the TPHA Travel Student Award for this Poster. Poster presentation, San Antonio, 2008.

Lee, F. and Swint, J.M. Evidence on the effects of improved financial access to healthcare. 2008 Texas Public Health Forum: Healthy Texans, Making Evidence-Based Decisions for a Return on Health. Poster and manuscript presentations; this won the Forum's Competitive Paper Award on Public Health and Policy, Austin, 2008.

Lee, F. and Swint, J.M. Preventable hospitalizations and local safety nets in Texas. U.T. Health Science Center-Houston Research Day, Poster presentation, 2007.

Recent Abstracts/Presentations (continued)

Xing, Y., Kapadia, A., Cormier, J., Swint, J.M., Pedroza, C. Bayesian approaches to the meta-analysis of diagnostic tests: a comparative study of bivariate binomial and multinomial models, 29th Annual Meeting of The Society for Medical Decision Making, Abstract, Philadelphia, 2007.

Lee, F. and Swint, J.M. Population characteristics and preventable hospitalizations in Harris County, 2004. Kelsey Research Foundation's Health Services and Outcomes Research Conference, Poster presentation, Houston, 2007.

Lee, F. and Swint, J.M. Preventable hospitalizations: assessing access and performance of the local safety net. Healthcare Safety Net Conference: Policy & Performance. The Houston Health Services Research Collaborative Conf. Manuscript presentation, 2007.

Swint, J. M., Keynote Speaker. Comparison of the efficiency and equity of the U.S. healthcare system and the healthcare systems of other OECD countries. Presented at Medicine in the 21st Century, The Third International Symposium, sponsored by the American Medical Association and the Chinese Medical Association, Shanghai, China, February 28-March 5, 2005.

Adamus, A., Chang, E., Mathews, L. Franzini, L., Swint, J. Preference elicitation using the time trade-off method with 1 to 3 newly diagnosed brain metastases in a prospective randomized clinical trial comparing radio-surgery with and without whole brain radiation. Abstract, presentation, American Society for Therapeutic Radiology and Oncology, 2004.

Rasu, R, Swint M, Franzini L, Shahidullah S; Economic Evaluation of STD Prevention among Female Garment Factory Workers in Bangladesh, Presented at the 79th Annual Education Conference, San Antonio, Texas Organized: Texas Public Health Assoc., 2004

Rafia Rasu and Swint, J.M. Cost-effectiveness of a health education program for female garment factory workers in Dhaka, Bangladesh, presented at The Bangladesh Health Economics Conference, Promoting Performance of the Bangladesh Health Sector. Manuscript presentation. Dhaka, Bangladesh, 2003.
