

**CURRICULUM VITAE
LUISA FRANZINI, Ph.D.**

CURRENT APPOINTMENT

Professor of Health Economics
Director, Division of Management, Policy, and Community Health
Director, The University of Texas School of Public Health/Blue Cross and Blue Shield of Texas Research Program in Payment Systems and Policies
Co-Coordinator, Health Disparities Concentration and Certificate
University of Texas School of Public Health, E923
1200 Herman Pressler Street
Houston, Texas 77030
Tel (713) 500 9487; FAX (713) 500 9493
E-mail: luisa.franzini@uth.tmc.edu

Center Affiliation

Director: *The University of Texas School of Public Health/Blue Cross and Blue Shield of Texas Research Program in Payment Systems and Policies*, UT School of Public Health, 2011-present
Center for Health Promotion and Prevention Research, UT School of Public Health, 2007-present
Center for Health Services Research, UT School of Public Health, 2003-present
Center for Clinical Research and Evidence Based Medicine, UT Medical School, 1998-present

BACKGROUND

EDUCATION

1977: Bachelor of Science, Economics, London School of Economics, London, England
1978: Master of Science, Econometrics and Mathematical Economics, London School of Economics, London, England
1983: Ph.D., Econometrics, London School of Economics, London, England
Dissertation: "Estimating and Testing the Parameters to Time Varying Econometric Models."
Supervisor: Denis Sargan

AWARDS

- 1996-2011 Dean's Teaching Excellence Award, UT-School of Public Health.
- 1997- 2011 Excellence in Research Award, UT-School of Public Health.
- 2009 Franzini et al AJP 2009 voted 2nd most influential paper in childhood obesity research by RWJF.
- 2007 President's Award for Mentoring Women, University of Texas Health Science Center.
- 2005 Outstanding Young Investigator Award, University of Texas Health Science Center.
- 2007 President's Scholar Award for Teaching (runner-up), University of Texas Health Science Center
- 2006 President's Scholar Award for Teaching (finalist), University of Texas Health Science Center

PROFESSIONAL EXPERIENCE

- 2011-present Professor and Division Director, Management, Policy, and Community Health Division, The University of Texas School of Public Health, Houston, Texas
- 2005-2011 Associate Professor with Tenure, Management, Policy, and Community Health Division, The University of Texas School of Public Health, Houston, Texas
- 2000-2005 Assistant Professor (Tenure track), Management, Policy, and Community Health Division, The University of Texas School of Public Health, Houston, Texas
- 1994-2000 Assistant Professor (Non-Tenure track), The Center for Society and Population Health, (formerly The Health Policy Institute), The University of Texas School of Public Health, Houston, Texas
- 1992-1994: Researcher, Health Policy Research and Analysis, The University of Texas, M.D. Anderson Cancer Center, Houston, Texas
- 1990-1992: Adjunct Professor, Department of Economics, The University of Houston-University Park, Houston, Texas
- 1987-1989: Assistant Professor (visiting), Department of Statistics, The Wharton School, University of Pennsylvania, Philadelphia, Pennsylvania
- 1985-1986: Lecturer, Department of Statistics, The Wharton School, University of Pennsylvania, Philadelphia, Pennsylvania
- 1984-1985: Lecturer, Economics Department, University of Pennsylvania, Philadelphia, Pennsylvania
- 1979-1980: Economist, Schroder Wagg Merchant Bank, London, England

RESEARCH

PUBLICATIONS (* indicates student co-author)

Journal articles peer-reviewed

INVITED LECTURES AND PRESENTATIONS

1. Comparing Variation in Medicare and Private Insurance Spending in Texas: The Role of Utilization, Price, and Market Conditions, Johns Hopkins School of Public Health, MD, 9/2012.
2. An economist's journey in public health: From reducing disparities in obesity to reducing the cost of healthcare, Drexel School of Public health, PA, 6/2012.
3. An economist's journey in public health: From reducing disparities in obesity to reducing the cost of healthcare, University of Maryland School of Public Health, MD, 4/2012
4. Predictors of trust in low income, minority neighborhoods in Texas. Department of Economics Finance and Statistics at the University of Perugia, Perugia, Italy. 2/2009.
5. Influences of physical and social neighborhood environments on child physical activity and obesity. Steinhardt School of Culture, Education, and Human Development, New York University, New York, NY. 11/2008.
6. Conceptual models for health disparities research. New Connections, Robert Wood Johnson Foundation, Washington DC, 6/2008.
7. Social context and health. University of Utah, Salt Lake City, UT. 1/2008.
8. Trust in low income minority individuals in Texas. University of Texas at Dallas, Dallas, TX, 1/2008.
9. Impact of neighborhoods on health: Methods and findings. University of Florence, Firenze, Italy. 10/2007.

10. Contributions of neighborhood characteristics to subjective perceptions of disorder. Population Research Center, University of Texas, Austin, TX, 2/2007.
11. Health care utilization and costs in elderly who self-neglect. Veterans Affairs Medical Center, Houston, TX, 6/2006.
12. Socioeconomic and cultural influences on self-reported health of foreign-born and native born Mexicans in Texas. Health Disparities Lecture Series at the University of Texas Medical Branch, Galveston, TX. 2/2005
13. Health disparities in immigrants and U.S. born Mexicans in Texas. Kellogg Scholars in Health Disparities Program Invitational Conference, Harvard School of Public Health, Boston, MA. 12/2004
14. The Hispanic paradox: Evidence and explanations. Latino Health Paradoxes, Invitational Conference, Harvard School of Public Health, Boston, MA. 6/2004.
15. Relationships between social factors, religion, and self-reported health in white, black, and Hispanic low-income individuals. University of Washington, Seattle, WA. 2/2004.
16. The relationship between neighborhood economic conditions, social capital and health outcomes. University of Bologna, Bologna, Italy. 1/2004.
17. Social context and heart disease in Texas. UTSPH Research Day School of Public Health Auditorium, 3/2003.
18. Neighborhoods and health. Veterans Affairs Medical Center, Houston, TX, 3/2003.
19. Econometric studies in public health. Veterans Affairs Medical Center, Houston, TX, 1/2002.
20. Methods for social determinants of health research. Veterans Affairs Medical Center, Houston, TX, 5/2002.
21. Social cohesion and health: methodology. Department of Pediatrics, UT Medical School, Houston, TX, 3/2002.
22. Socio-economic determinants of health: Examples and Exceptions. UTSPH Research Day School of Public Health Auditorium, 11/2000.
23. Social determinants of health. Texas Department of Health, Austin, TX, 12/2000.
24. Social determinants of health in Texas. Texas Department of Health, Austin, TX, 3/2000.
25. Income inequality and mortality in Texas counties. Economic Equity and the health of Populations: The Costs of Inequality. Invitational Conference, University of Michigan, Ann Arbor, MI, 6/1998
26. Cost effectiveness and quality of life. Department of Pediatrics, UT Medical School, Houston, TX, 12/1998.
27. Cost of family practice residency program. Family Practice and Community Health Department UT-Medical School, Houston, TX, 3/1997.
28. Methods to assess the cost of medical education in ambulatory care settings, Health Care Financing and Administration (HCFA), Baltimore, MD, 4/1997.
29. Econometric models for assessing the cost of teaching in ambulatory settings. Assessing Ambulatory Primary Care Training group, Rootstown, OH, 8/1997.
30. The cost of family practice residency programs. Acres Home Community Clinic, Houston, TX, 7/1997.
31. Results from econometric models for assessing the cost of teaching in ambulatory settings. Assessing Ambulatory Primary Care Training group, Washington, DC, 10/1997.
32. The Cost of GME: Definitions and Methodology. State Graduate Medical Education Financing Policies and Options, Invitational Conference, Washington DC. 10/1997
33. Cost implications of medical education in ambulatory settings. Health Care Financing and Administration (HCFA), Baltimore, MD, 12/1997.

GRANT AND CONTRACT AWARDS

Direct costs, direct costs of subcontract for subcontracts

Active grants: Principal Investigator or Co-Principal Investigator

1. Commonwealth Fund 20130066 “Spending Variation in a Privately Insured Texas Population: The Role of Utilization Variation and Price Variation” PI, 30%. Budget: \$ 250,790 (2013-2014).
2. NIH National Institute of Aging “Causes and Consequences of Health Care Efficiency” PI (subcontract), 10%. Budget: \$ \$49,818 (2012-2017).
3. Blue Cross Blue Shield of Texas gift to UTSPH “The University of Texas School of Public Health/Blue Cross and Blue Shield of Texas Research Program in Payment Systems” PI 30% Budget : \$1,500,000 (2011-2014)
4. Susan G. Komen Breast Cancer Foundation KG111378 “A Transdisciplinary Training Program for Public Health, Master, and Doctoral Students Wanting to Impact Breast Cancer” PI, 10%. Budget: \$ 269,722 (2011-2014).
5. University of Perugia and Regione Umbria, Italy. “Poverty and Equity in Health Research Group (PEHRG)” PI of contract, 3%. Budget: \$35,000 (2010-2013).

Active grants: Co-Investigator

6. Center for Medicare, 1C1CMS331044-01-00 “Health Care Innovation Challenge: Chronically ill children” Co-I, 10% (PI Jon Tyson, UT Medical School). Budget: \$3,949,942 (2012-2015).
7. NIH, 1R01MH085594-01A1, National Institute of Mental Health “Web-based middle school HIV curricula: aspiring for reach and impact Web-Based Middle School Sexuality Curricula School Sexuality Curricula: Aspiring for Reach and Impact” Co-I, 10% (PI Melissa Peskin, UT School of Public Health). Budget: \$1,349,278 (2009-2012).
8. NIH “Parkland-UT Southwestern PROSPR Center: Colon cancer screening in a safety net.” Subcontract Co-I, 5%. Budget: \$120,825 (2011-2013).
9. Shape Up Houston, “Texas Medical Center Obesity Evaluation Study.” Co-I, 10%. Budget \$333,432 (2012-2013)

Active grants: Mentor

10. CPRIT FMS#0007638 “Collaborative Training of A New Cadre of Innovative Cancer Prevention” Researchers (PI: P Mullan and R. Ness, UTSPH). Budget: \$2,617,614 (2010-2013).
11. National Cancer Institute 2R25/CA57712 (years 16-20), "Cancer Education and Career Development Program," Mentor (PD Mullen, PI). Budget \$2.5 mil. (2008-2013)

Completed grants: Principal Investigator or Co-Principal Investigator

1. HRSA 5R40MC11269-02-00 Maternal and Child Health Bureau, Health Resources & Service Admin. “Cultural and Contextual Variability in Parenting Impacts on Adolescent Adjustment” PI, 14%. Budget: \$614,564 (2009-2012).
2. NIH 1RC1RR028329-01 Challenge Grant, National Center for Research, “A medical home pilot evaluation: A model for comparative effectiveness research” Co-PI, 15% (PI Kim Dunn, UT School of Health Informatics) NIH. Budget: \$657,679 (2009-2011).
3. Susan G. Komen Breast Cancer Foundation KG090010 “A Transdisciplinary Training Program for Public Health Researcher & Practitioners wanting to Impact Breast Cancer Disparities” PI, 8%. Budget: \$269,998 (2009-2011).
4. NIH “Consortium for the Study of Elder Self-neglect of Texas” (CREST)” PI of subcontract, 10% (PI Carmel Dyer, Baylor College of Medicine) Budget \$27,176 (2004-2007).

5. CDC “Texas Pediatric Society EPIC (educating physicians in their communities)” PI of subcontract, 10% (PI Julie Boom, Baylor College of Medicine) Budget: \$19,240 (2002-2004).
6. Texas Department of Health, Innovation grants “Social cohesion and health in Hispanic, African American, and White communities” PI, 30%. Budget: \$150,286 (2001-2003).
7. Texas Department of Health, Innovation grants “The Hispanic paradox: An inquiry into social cohesion and health” PI, 30%. Budget: \$305,183 (2000-2001).
8. American Heart Association “Contribution of Social Conditions to Heart Disease Mortality in Texas” PI, 30%. Budget: \$68,258 (1999-2001).
9. CDC "Immunization Reminder/Recall for Private Providers" PI of subcontract, 10% (PI: Celine Hanson, M.D., Baylor College of Medicine). Budget: \$12,095 (1997-98).

Completed grants: Co-Investigator

10. NIH/Fogarty “CITAR The UTSPH Program for Advanced Training on AIDS Research”, Mentor (PI: Palmer Beasley). Budget: \$1,674,377 (2006-2011).
11. CDC 1U48DP001949-01 “Health Promotion and Disease Prevention Research Centers - Center Category 1” Co-I, 5%,(PI: Susan Tortolero, UT School of Public Health). Budget; \$2,605,235(2009-2014).
12. Office of Adolescent Health “Teenage Pregnancy Prevention: Replication of Evidence Based Programs” Co-I, 15% (PI Tortolero, UT School of Public Health). Budget: \$14,283,407 (2010-2015).
13. NIH 7R03HD057507-03 “Health and Mortality Risks among Co-Resident Grandchildren, Parents, and Grandparents” Co-I, 10% (PI: Patrick. Krueger). Budget: \$100,000 (2008-2010).
14. Collaborative for Children “Program Evaluation: Houston’s College-Bound beginning at Birth” Co-I, 5% (PI: Dr. Begley). Budget: \$335,239 (2008-2011).
15. CDC SIP 03-04 U48CCU609653, U48DP000057, U48DP001949 “Healthy passages: A community based longitudinal study of adolescent health” Co-I, varies by year, average 5% (PI Susan Tortolero, UT School of Public Health). Budget: \$7,807,208 (project 2004-2011).
16. NIH- National Institute On Aging, 1R21AG033261-01A1 “Feasibility of Vitamin D Replacement in Vulnerable Elders” Co-I, 5% (PI Carmel Dyer, MD, UT Medical School). Budget: \$275,000 (2009-2011).
17. AHRQ 1R01HS017440-01A1 “Multidimensional assessment and intervention for elder self-neglect”, Co-I, 5% (PI Carmel Dyer, MD, UT Medical School). Budget: \$275,000 (2009-2011).
18. NIH Department of Health and Human Services 3UL1RR024148-05S1”Center for Clinical and Translational Sciences” Co-I, 1.67% (PI DD McPherson, UT Medical School). Budget: \$152,091 (2010-2011)
19. NIH “Diabetes Education With A Case Manager:” Co-I, 3% (Subcontract from UT Austin, PI Craig Hanis, UTSPH). Budget: \$122,417 (2006-2009).
20. Houston Endowment “Houston Health Services Research Collaborative” Co-I, 2.5% (PI Dr. Begley, UTSPH). Budget: \$100,000 (2006-2008).
21. NIH NCMHD “RIMI: Center for Hispanic Health Disparities Research” Co-I, 10% (PI Jack Bristol, UT School of Public Health El Paso Regional Campus). Budget: \$595,569 (2003-2008).
22. AHRQ “Measuring the value of remote ICU monitoring” Co-I, 15% (PI Eric Thomas, UT Medical School). Budget: \$981,991 (2004-2007).
23. NIOSH “Southwest Center for Occupational and Environmental Health”. Co-I, 5% (PI George Delclos, UTSPH). Budget: \$4,661,740 (2000-2006).
24. Episcopal Health Charities “Sacred vocation: Transforming work in healthcare” Co-I, 10% (PI Benjamin Amick, UTSPH). Budget: \$90,000 (2001-2002).

25. MDACC Institutional Research Grant ID00-377 “A phase III prospective randomized trial comparing radiosurgery with versus without whole brain radiotherapy for 1-3 newly diagnosed brain metastases” Co-I (PI Eric Chang, MD Anderson cancer Center). Budget 18,099 (2001-2002).

Professional Consultation on Funded Grants

1. “Evaluation of the new Interferon- γ release assays (IGRAs) in the diagnosis of latent Tuberculosis infection (LTBI) in health care workers at Baylor College of Medicine”. (PI Edward Graviss, Methodist Hospital). Centers for Disease Control (2006-2010). Scope of work: Cost-effectiveness of alternative screening tools.
2. “Youth in the Workplace” Evaluation of the *LifeSkills Training Wellness Program*”. (PI Christopher Williams, Ph.D., National Health Promotion Associates, Inc.). Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Center for Substance Abuse Prevention (2006-2009). Scope of work: Cost evaluation.
3. “Investigating the cost of maintaining an opt-in system for obtaining consent for immunization registry participation in Texas”. (PI Julie Boom, Baylor College of Medicine). Texas Children’s Hospital and St. David’s Foundation (2006-2007). Scope of work: Cost study of opt-in system.
4. “Replicating and Sustaining the TEAM Institute Approach to Victims of Elder Mistreatment ” (PI Carmel Dyer, Baylor College of Medicine) Office of Victims of Crime, Department of Justice (2003-2005). Scope of work: Health care costs and utilization in elderly who self-neglect.
5. "Assessing Ambulatory Primary Care Training: Methods, Costs and Quality" (PI James Boex, MBA, Northeastern Ohio Universities College of Medicine) Bureau of Health Professions, the W.K. Kellogg Foundation, and the New York State Department of Health (1997-2000). Scope of work: Econometric methods.

Other Professional Consulting

“Cost of medical education at UTHSC” funded by Kevin Dillon, University of Texas Health Science Center (2007-2008). Scope of work: Estimating the cost of educating medical students at UT-Houston Medical School.

TEACHING**CLASSES AT UTSPH**

*Teaching effectiveness is rated on a 5 point scale with 1 = very poor and 5 = very good. Previously, teaching effectiveness was rated on a 1-7 point scale with 1 = poor/disappointing, 4 = about average, and 7 = superior/very positive. Scores on the 1-7 scale are denoted by *.*

| <i>Semester</i> | <i>Course name</i> | <i>Role</i> | <i># students</i> | <i>Teaching effectiveness</i> |

MENTORING JUNIOR FACULTY

Faculty level mentoring at UTSPH

Liz Gammon (2009-present) (former student)

Shelton Brown (2005 – present)

Jamie DelliFraine (2010 – present)

Patrick Krueger (2006 – 2009)

Irwin Horwitz (2005-2010)

Faculty level mentoring at other institutions

L. Reitzel- Assistant professor, MD Anderson. K01 award CDC. “The Effects of Neighborhood Characteristics on Smoking Cessation” Budget \$416,667, 2007-2011.

Norma Perez, Assistant professor, UTMB, 2007-present (former student)

Monica Rasmus, Assistant professor, TSU, 2007-present (former student)

Arlene Keddie, Assistant professor, Northern Illinois University, 2003-present (former post-doc)

Karen Williams, Assistant professor, UTMB, 2002-present (former student)

Mentoring for submission of K awards or other career development awards

Rituparna Basu, Post-doc at UCSF, 2010 (former student)

Patricia Evans – Assistant professor, UT Medical School, 2010

Susan Wootton, – Assistant professor, UT Medical School, 2010

Lakshmi Katakam, – Assistant professor, UT Medical School, 2010

Eric Ratliff – Post-doc, UTSPH, 2010

Mark Moffet – Assistant professor, Houston VA Health Services Research and Development Center of Excellence, 2005

SERVICE

SERVICE TO THE INSTITUTION

UT School of Public Health leadership:

Division Director, Division of Management, Policy, and Community Health (2011-present)

UTSPH Executive Council (2011-present)

Educational programs at the UT School of Public Health

- Co-director: Health Disparities Concentration (2010-present)

- Co-director: Health Disparities Certificate (2010-present)

- Coordinator for the Ph.D. Health Economics/ Health Services Research program (2005-2011)

Committees at the UT School of Public Health

- Academic and curriculum coordinator for the Management, Policy, and Community Health Division (2005-2011)

- Academic Council representative of the Management, Policy, and Community Health Division (2005-2011)

- Leadership team of the Management, Policy, and Community Health Division (2005-present)

- Annual Activity Review Committee (2002-2003)

- Health Services Research Center Planning group (2000-2003)

- Chair, Annual Activity Review Committee (2003-2005)

- Legislative Internship Committee (1996- 2005)

- Curriculum Committee for Health Services Organization module (2000)
- Admission Committee: Health Services Organization module representative (1997-1999)

Faculty searches at the UT School of Public Health

- Faculty search committee for senior Management position (2012-present)
- Faculty search committee for 4 positions in San Antonio Regional Campus (2011-2012)
- Faculty search committee for 10 positions Comparative Outcomes Research (2010- 2011)
- Faculty search committee for 3 positions in Biostatistics (2010- present)
- Chair, Faculty search committee for position for health service researcher (2007-2008)
- Chair, Faculty search committee for position for public health demographer (2005-2006)
- Faculty search committee for three positions in obesity research (2005-2007)
- Faculty search committee for position in Qualitative Methods (2000-2001)
- Interviewed and evaluated candidates for Outcomes position and Organization position (2003)

Service to the University of Texas Health Science Center

- Executive Board of the Association of Women Faculty, University of Texas Health Science Center in Houston (1997-99: School of Public Health representative; 1999-2001: Secretary).
- University Interfaculty Council: UTSPH representative (2000-2002)
- Governance and Academic Affairs committee: member (2002)
- Committee on the Status of Women, School of Public Health representative (1997-1999)
- Medicine and Public Health Task Force (1997-1999)
- Society and Health Task Force (1998-1999).
- Evaluation committee for the alternate self-study required for the accreditation by the Southern Association of Colleges and Schools (SACS) (1998-1999).
- Executive Board of the Committee on the Status of Women (1997-1998)
- Revenue Distribution team (1997-1998)
- Women's Health Task Force (1997-1998)

SERVICE TO THE PROFESSION

Memberships

- 1994-Present American Public Health Association,
- 1995-Present International Health Economics Association,
- 2000-Present The International Society for Equity in Health (Founder Member).
- 1993-1997 Health Policy Statistics Section of the American Statistical Association.

Service to professional associations

- Chair of the Health Economics Committee, American Public Health Association, 2003-2011.
- Officer in the Medical Care Section, American Public Health Association, 2003-2011.
- Co-chair of the Health Economics Committee, American Public Health Association, 2001-2003.
- Director of the Health Economics Committee Solicited Papers Sessions, American Public Health Association, 2002-2003.
- Director of the Health Economics Committee Contributed Papers Sessions, American Public Health Association, 2001-2002.
- Health Economics Committee, American Public Health Association, 1996-Present.
- Statistical Methodology Committee, Health Policy Statistics Section of the American Statistical Association, 1994-Present.
- Medical Education Cost Studies Special Interest Group, Association of American Medical Colleges, 1996-2002.

Editorial Service

Associate editor: BMC Public Health, 2009 - present

Editorial consultant: Editorial Advisory Board of the International Journal of Equity in Health, 2001 - present.

Editorial committee: Editorial Committee: Epidemiologic Reviews for the special issue in Health Disparities (Epidemiologic Reviews, Epidemiologic Approaches to Health Disparities, Vol 31, 2009)

Reviewer service

Reviewer for journals: American Journal of Public Health , Health Economics, Social Science and Medicine, Journal of Health and Social Behavior, American Journal of Epidemiology, Epidemiological Reviews, Health Economics Letters, Archives of Pediatrics and Adolescent Medicine, Journal of Health Care for the Poor and the Underserved, American Journal of Preventive Medicine, Health and Place, Ethnicity and Disease, Social Science Quarterly, Journal for the Scientific Study of Religion, International Journal for Equity in Health, Communications in Statistics-Theory and Methods, AIDS Care, Demography, Population Health Metrics, International Journal of Pediatric Obesity, Preventive Medicine, Ethnicity and Health, Journal of the American Geriatrics Society, Journal of Cross-Cultural Gerontology, Applied Research in Quality of Life, American Journal of Tropical Medicine and Hygiene, Health Policy, Journal of Urban Health, International Journal of Health Geographic, Nicotine and Tobacco Research.

Book reviewer: Reviewed for Oxford University Press Measuring Efficiency in Health Care: Analytic Techniques and Health Policy, 2003

Reviewer for meetings: American Public Health Association national meetings, 1996- present; North American Primary Care Research Group, 1995-1999.

Other review: Reviewed the “Health Professions Education Cost Study” for the Utah Health Policy Commission, 1996.

Conference session chair

- Session “Health economics: Economic evaluation of interventions” American Public Health Association, November 2009, Philadelphia, PA.
- Session “Applications of health economics to health behaviors and outcomes” American Public Health Association, November 2007, Washington, DC.
- Session: “Studies of Health Insurance Coverage and Its Impacts”, American Public Health Association, November 2004, Washington, DC.
- Session: “Economic evaluation studies”, American Public Health Association, November 2003, San Francisco, CA.
- Session: Economic studies of causes and effects” American Public Health Association, November 2001, Atlanta, GA
- Session “Economic Studies: Market structure, Managed care, and health costs” American Public Health Association, November 2000, Boston, MA.
- Session “Economic analysis of access to care for vulnerable populations” American Public Health Association, November 15-19, 1998, Washington, DC.
- Session “Health care consumers: Choice, coverage, and use” American Public Health Association, November 1999, Chicago, IL.
- Session “The economics of physician behavior”, American Public Health Association, November 1997, Indianapolis, IN.

EXTERNAL SERVICE

Grant Review Panels

Department of Health and Human Services (HRSA), Maternal and Child Health Research Program R40, Review Panel, 2010-2011.

Austrian Science Fund (Austrian equivalent of National Science Foundation in US), Ad hoc reviewer, October 2010.

Centers for Disease Control and Prevention, Translating Research to Protect Health through Health Promotion, Prevention and Preparedness (CD09-001), Review Panel, Atlanta, GA, July 2009.

Scientific Merit Review Board- Methodology Review Group, VA Health Services Research and Development Service Research, Review Panel (member for 4 years), 2004-2008.

Scientific Merit review Board- Methodology Review Group, VA Health Services Research and Development Service Research, Ad hoc member, San Diego, CA, January 2004.

Social Sciences and Humanities Research Council of Canada, Ad hoc reviewer, 2004.

Centers for Disease Control and Prevention, Prevention Research Centers Program Grant Review, External Review Panel, Atlanta, GA, June 2001.

SERVICE TO PUBLIC HEALTH

Local

Board of Directors: St. Luke's Episcopal Health Charities, 2011-2015.

Academic advisory panel: Triple P: A community based parenting program, Children at Risk (2011-present)

Participated in a paper on the homeless hospital costs in order to help Healthcare for the Homeless advocate for better support services for the homeless in Houston.

Working group at the community hospital Quentin Meese with the task of devising solutions to the problem of elderly self-neglect in Harris County, 2003- 2007.

KHOU news interview by Dan Lauck and a TV news segment reporting results from a study about Hispanic health of which I was PI, 2003.

Board of Directors: Planned Parenthood of Houston and Southeast Texas, 1995-1997.

State

Member of the Texas Tuberculosis Epidemiologic Studies Consortium, funded by Center for Disease Control and Prevention, 2000-2010.

Worked on advocating the adoption of opt-out consent for the immunization registry in Texas, 2007 – 2009.

Participated in a team that prepared estimates of the cost-effectiveness of requiring HPV vaccination for 12 year old girls in Texas, 2007-2008.

Wrote White Paper on public health consequences of Texas laws that restrict access to reproductive health care to teens which was presented to the Texas Legislature: "Health and economic consequences of teen's loss of confidentiality in obtaining reproductive health care services in Texas" with P Cromwell, C Markham, S McCurdy, N McKirahan, J Risser, B Selwyn, C Shapiro, 2002-2003.

Advised Health Care for All on estimating the costs of a single payer health care system in Texas, 2001-2002.

U.S.

Interviewed by *Kaiser Health News*, *The Associated Press*, *The Fiscal Times*, and the *Dallas Morning News* on our Health Affairs paper, December 2010.

Interviewed by *El Diario/La Prensa*, on Mexican immigrants health, September 2010

Interviewed by CNN on childhood obesity in Hispanics. November 2009

International

Member of the PEHRG (Poverty and Equity in Health Research Group) at the Università degli Studi di Perugia and Regione Umbria, Italy, 2009-present.

Radio interview with Radio Canada on the uninsured in the US, 2004.

SKILLS

Computer skills

STATA, SPSS, SAS, Excel, Fortran, Internet and other software. Experienced in maintaining and analyzing very large data bases.

Languages

Fluent speaking and writing English, Italian, French and some German.

Revised May 2012
