

CURRICULUM VITAE
SHERYL A. MCCURDY

Associate Professor
Department of Health Promotion and Behavioral Sciences
Center for Health Promotion and Prevention Research
School of Public Health
University of Texas Health Science Center at Houston
7000 Fannin Street, Suite 2572
Houston, Texas 77030
Work: (713) 500-9633
Email: Sheryl.A.McCurdy@uth.tmc.edu

EDUCATION

Ph.D., Division of Sociomedical Sciences, Columbia University, 2000
M.Phil., Division of Sociomedical Sciences, Columbia University, 1992
M.A., Development Studies, University of Dar es Salaam, Tanzania, 1987
B.A., African Studies, University of Minnesota-Twin Cities, 1985
R.T.(R.) Radiologic Technology, Mercy Hospital, 1976

ACADEMIC POSITIONS

Associate Professor with tenure, Health Promotion and Behavioral Sciences, University of Texas Health Science Center at Houston (UTHealth) School of Public Health, 2009 – present
Assistant Professor, Health Promotion and Behavioral Sciences, UTHealth School of Public Health, 2001 – 2009
Post-Doctoral Research Fellow, UTHealth, School of Public Health, Center for Health Promotion Research and Development, Houston, Texas, 1999-2001
Adjunct Lecturer, Departments of Anthropology and History, Johns Hopkins University, Baltimore, Maryland, 1998-1999
Adjunct lecturer, Department of Women's Studies, University of Minnesota-Twin Cities, 1990-1992
Member, Division of Management, Policy and Community Health, University of Texas School of Public Health, 2008 – present
Member, Global Health, Health Disparities, and Leadership Concentrations, University of Texas School of Public Health, 2006 – present

FELLOWSHIP, RESIDENCY, AND SCHOLARSHIPS

Brocher Foundation Residency, The Ethical, Legal, and Social Implications of Accessing Addiction & HIV Treatment Resources, Human Rights, and Health Policy in Africa, Geneva, Switzerland, 2016
Fulbright Scholar Grant, Ethnography on Recovery, Reintegration and Relapse among Former Heroin Users in Dar es Salaam, Tanzania, 2014-2017
Humanities Research Center, Rice University, Rice Human Trafficking Seminar
One year Residential Fellowship, 2012-2013
International Doctoral Research Fellowship, Social Science Research Council-American Council of Learned Societies, 1992-1993

NIH AND WELLCOME INSTITUTE, H3AFRICA GENOMICS WORKING GROUPS

Education and Coordinated Training, co-chair, 2013-2016

Co-Chair, 4th & 5th H3Africa Consortium meeting session, plenary, Trainee cohort development, Cape Town, RSA, June 2014 and Dar es Salaam, Tanzania November 2014.
Ethics and Regulatory Issues, member, 2013-
H3Africa Ethics Consultation Meeting, Cape Town, June 2014, facilitator
Community Engagement, member, 2015-

AFFILIATIONS

Member, Harris County Public Health and Environmental Services coalition focused on the prevention of substance abuse and underage drinking among high need and underserved youth and young adults in Houston/Harris County, Texas Strategic Prevention Framework Partnerships for Success 2016-
UTHealth Lead and Member, Baylor College of Medicine/UT Center for AIDS Research, 2014 – 2016
UTHealth Member, Baylor College of Medicine/UT Center for AIDS Research, 2004-14
Affiliate member, Center for Medical Ethics and Health Policy, Baylor College of Medicine, 2013 – present
Affiliate Faculty, Urban Health Program, Kinder Institute for Urban Research, Rice University, 2011 – present

HONORS AND AWARDS

2016	UTHealth, SPH, Community Service Award
2016	UTHealth, SPH, HP & BS & CHPPR, Seed Research Award
2002-14	UTHealth, SPH, Award for Excellence in Research
2006, 2012	UTHEALTH, SPH, Award for Excellence in Teaching
2003-7	Recipient, NIH Clinical Research Loan Repayment Program
2005	UT-Health Science Center, Office for International Research Award
2003	Outstanding Advisor, H.O.M.E.S. Clinic (UT/Baylor/UH student run clinic for the homeless in Houston)
2000	UT-Health Science Center, International Summer Research Support (Tanzania)

GRANTS

CURRENT

National Science Foundation (NSF), 17-128 - Dear Colleague Letter: NSF Accepting Proposals Related to Hurricane Harvey. RAPID: Differentiated Household Recovery Post Hurricane Harvey. 1760699 (\$70,845) 2017-2018.
Role: PI

NIEHS, R01, Sustainable Solutions to Metal Air Pollution in Disadvantaged Neighborhoods. 5R01ES023563 (\$475,313) 2014-2019.
Role: Co-investigator (PI Elaine Symanski) 2017.

MENTOR

National Institutes of Health, National Human Genome Research Institute (NHGRI), Mentored Research Scientist Development Award (Parent K01), The ethical and social implications of citizen science research in genomics examining informed consent and ownership of data, results, and discoveries (P.I. Christi J. Guerrini) 2017-2021.

COMPLETED

PI

Stakeholders' perspectives on pain management, UTHealth, SPH, Front of the Envelope Award (\$25,000) 2016-2017.

Role: Principal Investigator

National Institutes of Health, National Institute on Drug Abuse, Tanzanian AIDS Prevention Project, *Vijana Mateja* (Young Injectors) Drug and Sexual Networks, 1R21DA025478-01, National Institute on Drug Abuse, (\$137,313/2 years), 2008-2010.

Role: Principal Investigator

Congressionally Directed Medical Research Programs, Department of Defense, Breast Cancer Research Program Concept Award, Medical decision-making about breast cancer among African Americans: Evaluating the roles of beliefs, knowledge, medical care access, and social support, (\$93,513/18 months), 2000-2003.

Role: Principal Investigator

Co-PI

National Institutes of Health, National Human Genome Research Institute as part of the NIH Common Fund Human Heredity and Health in Africa (H3Africa) Initiative, 1U01HG007459 – 01, Exploring perspectives on genomics and sickle cell public health interventions (Cameroon, Ghana, and Tanzania), (\$153,198/UT \$30,000/3 years) (P.I. Ambroise Wonkham) 2013-2016.

Role: Principal Investigator on subcontract to University of Cape Town, South Africa

Centers for Disease Control and Prevention, Tanzanian AIDS Prevention Project with people who use heroin. 1U2GPS000951-01, (\$2,975,000/UT\$133,788 /2 years) (P.I. Gad Kilonzo, Muhimbili University of Health and Allied Sciences (MUHAS), Outreach and treatment for people who use heroin, 2013-2018.

Role: Principal Investigator on subcontract to MUHAS

National Institutes of Health, Centers for AIDS Research, Baylor College of Medicine/University of Texas, Behavioral Core (UTHealth \$297,251/5 years), 2005-2015

Role: Principal Investigator, subcontract to Baylor College of Medicine

National Institutes of Health, National Human Genome Research Institute, 1R01HG004853-01A1, A Study of the Ethical, Legal, and Social Implications (ELSI) of Human Microbiome Research, (\$1,110,340/UT \$263,742/3 years, (P.I. Amy McGuire, Baylor College of Medicine), 2009-2012.

Role: Principal Investigator on UT subcontract

Centers for Disease Control and Prevention, Tanzanian AIDS Prevention Programme 1U2GPS000951-01, Muhimbili University of Health and Allied Sciences (MUHAS), (\$1,999,592/UT \$578,161/5 years) (P.I. Gad Kilonzo), Outreach and treatment for people who use heroin, 2008-2012.

Role: Principal Investigator on UT subcontract

CO-INVESTIGATOR

Patient Centered Outcomes Research Institute (PCORI), Development and user testing of a decision aid for ventricular assist device (VAD) placement (\$1,300,000/UT \$58,347/3 years,) (P.I. Jennifer Blumenthal-Barby) 2014-2017.

Role: Principal Investigator, subcontract to Baylor College of Medicine

National Institutes of Health, National Institute on Mental Health, HIV, risk behaviors and stigma in high risk Tanzanian men, (\$200,000/2 years) (P.I. Michael Ross) 2010-12.

National Institutes of Health, National Institute on Drug Abuse, Tanzania AIDS Prevention Project, Instrument development, (\$200,000/2 years) (P.I. Mark Williams), 2009-2011.

National Institutes of Health, National Institute on Drug Abuse, Tanzanian injection drug use/HIV prevention project (TAPP), (\$357,627 total/2 years) (P.I. Mark Williams), 2005-2007.

Centers for Disease Control and Prevention, Non-gay identifying men who have sex with men, (\$186,000/year) (P.I. Michael Ross), 2004-2005.

National Institutes of Health, National Institute on Drug Abuse, Peer-delivered self-efficacy intervention–Supplement, (\$330,131/2 years) (P.I. Mark Williams), 2002-2004.

National Institutes of Health, Creation of an Hispanic Health Research Center in the Lower Rio Grande Valley, P20MD000170, (\$6,218,235/ 5 years) (P.I. Joseph McCormick), 2003-2008.

Centers for Disease Control and Prevention, HIV behavioral surveillance study, City of Houston, (\$200,000/ 1 year) (P.I. Jan Risser), 2003-2004.

National Institutes of Health, National Institute of Dental and Cranial Research, Oral disease burden for planning services, International Collaborative Oral Health Research Planning. (\$150,000/2 years) (P.I. Martin Hobdell), 2002-2004.

Centers for Disease Control and Prevention, Identifying factors associated with early detection of ovarian cancer, (\$465,327/3 years) (P.I. Guillermo Tortolero), 2001-2004.

Centers for Disease Control and Prevention, Health care-seeking for symptoms associated with ovarian cancer, (\$524,613/2 years) (P.I. Guillermo Tortolero), 2000-2003.

COLLABORATOR

Agency for Healthcare and Research Quality (AHRQ), HS023214 -01, R-25 Methods training in patient-centered cancer outcomes research, (\$457,769 /5 years) (P.I. Maria Suarez-Almazor, MD Anderson), 2014-2019.

PROGRAM FACULTY MEMBER

National Institutes of Health, Fogarty International Center, Houston Initiative for Global Health Education and Research - HIGHER. 1-R25-TW007508-01. Fogarty International Center, PAR-05-050, (\$407,000/UT\$124,488/3 years, donated) (P.I. Clinton White, Baylor College of Medicine, UT P.I. B.J. Selwyn), 2005-2008.

MENTOR

National Institutes of Health, National Institute of Nursing Research, Predicting physical activity adoption among minority women using SEM and participatory research, 1F31NR013349-01A1 University of Houston, (\$25,940) (P.I. Scherezade Mama), 2012-13.

Role: Dissertation Supervisor and Advisor

Centers for Disease Control and Prevention, National Center for HIV, Viral Hepatitis, STD, and TB Prevention, HIV risk behaviors among recently arrived Latina immigrant women living in Houston, 1R36PS001440-01 (P.I. Jane Montealegre), 2009-2011.

WEBINAR, TRAINING, AND MENTORING

Webinar presentation on 'Qualitative Analysis,' for Cancer Researchers, through ASCO and Patient Centered Outcomes Research (PCOR) MD Anderson Cancer Prevention Center University of Texas, November 2015.

Developed PCOR PPT module, "Overview of Qualitative Methods for Patient-Centered Outcomes," for junior physician cancer researchers.

Co-taught, Workshop on Scientific Manuscript Writing, with Adebowale Ademola, NHGRI, for H3Africa Fellow Trainees at the H3Africa Consortium, Livingstone, Zambia. May 11, 2015

CURRENT COURSES

PH 1118 Introduction to Qualitative Methods

PH 1119 Qualitative Analysis

PHM 9996 600 MPH Culminating Experience Capstone Course (Fall 2016, co-teach)
PHM 9996 The History and Culture of Disease and Healing (Fall 2016, co-teach)

NEW COURSES IN PREPARATION

PH 1410 Addiction and Society (to be offered Fall 2018)
PH 1424 Social Justice and Public Health (to be offered Fall 2019)

PAST COURSES

PH 1147 History of Public Health
PH 1242 AIDS: Global Socioeconomic and Political Contexts
PH 5632 Public Health and Human Rights (co-taught)
Joint course with Rice University, Global and Local Aspects of Human Trafficking across Centuries with Dr. Kerry Ward, History Department, Rice University.
PH 5610 Global Health Seminar (co-taught)
Fertility and Sexuality in Africa, The Johns Hopkins University
Culture and Medicine, The Johns Hopkins University
Popular Culture in Africa, The Johns Hopkins University
Women's Health, U of Minnesota-Twin Cities

SHORT COURSES

Designed and taught, Continuing Education Course
“Qualitative Research and Analysis for Healthcare Providers.” Department of Psychiatry and Mental Health, Muhimbili University of Health and Allied Sciences, Dar es Salaam, Tanzania
Dar es Salaam, Tanzania, February 2015
“Introduction to Qualitative Analysis” and “Intermediate Qualitative Methods,” for UTHEALTH, SPH Center for Health Promotion and Prevention Research's Continuing Education Network, January 2005-2009

GRADUATE AND POST-GRADUATE MENTORING

POST DOCTORAL COMMITTEES

MENTOR

Christi Guerrini (2016-), Instructor, Center for Medical Ethics and Health Policy, National Human Genome Research Institute (NHGRI), Mentored Research Scientist Development Award (Parent K01), The ethical and social implications of citizen science research in genomics examining informed consent and ownership of data, results, and discoveries.
Charlene Flash, (2016-), Assistant Professor, Department of Internal Medicine, Baylor College of Medicine, Assistant Professor, National Institute of Mental Health (NIMH), Developing an Implementation Program to Optimize Uptake of HIV Pre-Exposure Prophylaxis among Black Women in Primary Care Settings, Mentored Patient-Oriented Research Career Development Award (K23) 5K23MH109358-02
Kimberley Enard, (2011-14) Assistant Professor, St. Louis University; MD Anderson Kellogg Health Scholar Program, Multidisciplinary Track
Melody Slashinski (2011-2012), Assistant Professor, Division of Community Health Studies, School of Public Health and Health Sciences, University of Massachusetts-Amherst, Fall 2014; Instructor, Center for Medical Ethics and Health Policy, Baylor College of Medicine, Houston, Texas, 2012-14
Sarah Arvey (2010-2011) NCI UTHEALTH, SPH training fellowship, Senior Consultant, Health Management Associates, Austin, Texas

DOCTORAL COMMITTEES**ADVISOR**

- Ngo Anh (2007 graduate) Lecturer, University of Queensland, Australia
 Givens Ateka (2006 graduate) Manager, DFID-funded PMTCT and Pediatric HIV Care and Management Project, Polokwane, South Africa
 Harrison Kamiru (2006 graduate) BEPAI, Papua New Guinea; International Center for AIDS Care and Treatment Program (ICAP), Program Monitoring Advisor to the Ministry of Health and Social Welfare, Swaziland
 Andria Rusk, (2012-14) Department Research Assistant, Health Promotion and Behavioral Sciences, UTHealth, SPH

ADVISOR AND RESEARCH SUPERVISOR

- Aite Aigbe, (2014 graduate) HIV Epidemiology Surveillance Data Collector, Division of Management, Policy, and Community Health, UTHealth, SPH
 Beth Barr (2006 graduate) Centers for Disease Control, Country Director, Zimbabwe, 2015-, HIV Counseling and Testing Specialist, CDC Global AIDS Program, Malawi.
 Francine Kingston (2011 graduate) Director, Clinical Training & Development, Texas Children's Hospital, Houston, Texas
 Preena Loomba (2015-) Graduate Research Assistant, Behavioral Sciences, UTHealth
 Ebum Odeneye (2014 graduate) Postdoctoral Fellow, CDC
 Ugochi Irikannu (2013 graduate) Development Officer, Chevron
 Scherezade Mama (2013 graduate) Assistant Professor, College of Human Development, Penn State University, Health Disparities Postdoctoral fellow, MDAnderson Cancer Center
 Frances Recknor (2013-2017)
 Umer Shahid (2011-) Graduate Research Assistant, UTHealth, SPH
 Melody Slashinski (2011 graduate), (details under postdoctoral committees)
 Yue Xu (2015-) Graduate Research Assistant, Biostatistics Department, UTHealth, SPH, 2015-, Teaching Assistant, Introduction to qualitative methods, 2015

RESEARCH SUPERVISOR

- Kavita Chandwani (2011 graduate) Research Assistant Professor, University of Rochester Cancer Control Training Program, 2012-2013
 Joan Engelhardt (2014 graduate)
 Poloko Kebaabetswe (2004 graduate) BOTUSA HIV Prevention Research Unit, CDC, Botswana
 Salma Khuwaja (2003 graduate) Epidemiologist Supervisor, City of Houston Health and Human Services
 Amy Witten (2016 graduate) Duchesne Academy of the Sacred Heart, Curriculum and Learning Support Director

ADVISOR AND RESEARCH SUPERVISOR, SELECTED M.P.H.

- Casey Durand (2008) Assistant Professor, Behavioral Sciences UTHealth, SPH
 Judy Levison (2010) Associate Professor of Pediatrics, Baylor College of Medicine
 Haruka Maruyama (2012) Research Advisor, ICAP Columbia University Mailman School of Public Health, Tanzania
 Rachel Marks (2010) Research Associate, MDAnderson Cancer Center
 Sarah Njue (2013) Research Associate, Baylor College of Medicine
 Ed Pettitt (2016) Senior Project Coordinator, Baylor International Pediatric AIDS Initiative (BIPAI), Baylor College of Medicine

Alix Teleki (2006) Qualitative research consulting, Austin, Texas

PROFESSIONAL ACTIVITIES

Proposal Reviews for NIH and NSF

- Reviewer, November, 2015, NIAID, International epidemiology Databases to Evaluate AIDS (IeDEA), (U01)
- Reviewer, October, 2015, NIH-PEPFAR Collaboration on Implementation Science for HIV.
- Reviewer, April, 2015, NIDA Cohort Studies of HIV/AIDS and Substance Abuse, PAR 12-222.
- Reviewer, July, 2014, NIDA Cohort Studies of HIV/AIDS and Substance Abuse, PAR 12-222 (U01).
- Reviewer, February, 2014, RFA DA 14-009 and RFA DA 14-010, HIV/AIDS, substance abuse, and vulnerable populations in the United States.
- Reviewer, July 2013, NIDA Cohort Studies of HIV/AIDS and Substance Abuse, PAR 12-222.
- Reviewer, March 2013, NIDA U01 Cohort Studies of HIV/AIDS and Substance Use, PAR-12-222.
- Reviewer, 2007-14, NIDA, NIH Clinical Loan Repayment proposals.
- Reviewer, October 2012, NIDA RFA Phased Services Research Studies of Drug Use Prevention, Addiction, Treatment and HIV (R21/R33) proposals.
- Reviewer, November 2011, NIDA/PEPFAR RFA proposals.
- Reviewer, January 2008, NSF, NSF International Research Experience for Students (IRES) Program proposal.
- Reviewer, July 2005, NIH, NIMH proposals for the RFP, Psychosocial needs of children affected by AIDS in low-resource countries.

Other Proposal Reviews

- Reviewer, Center for AIDS Research, UT-Baylor, Pilot Studies Grant Reviews, 2010-2014
- External Reviewer, Texas Southern University, Research Seed Grants, May and November, 2010

External Program Reviewer

- Review of the BS Program in Health Science, California State University, Long Beach, May 2011

Advisory and Editorial Boards

- Advisory Board member, *Medicine Anthropology Theory*, 2014-
- Editorial Board member, *Advances in Medicine*, Preventive Medicine, 2013-
- Editorial Board member, *International Journal of Drug Policy*, 2017-

Boards and Committees of Scholarly Organizations

- Member, Ebola Anthropological Initiative, American Anthropological Association, 2014-15
- Ebola Leadership Group member, 2015.
- Board Member, African Studies Association, 2011-14
- Executive Committee member, 2013-14
- Finance Committee chair, 2013-2014, member, 2011-13
- Current Issues Plenary organizer, 2013-14
- Annual Meeting Committee member, 2011-13
- Nominating Committee member 2012-13
- Co-organizer, Co-Convener, and Leadership Committee member, Health and Medicine Association, African Studies Association, 2013-
- Co-chair, Workshops on Health, African Studies Association, November 2011-13

Vice-President, Tanzania Studies Association, African Studies Association, 2009-11
 Board Nominating Committee, African Studies Association, 2005-6
 Leadership Committee, Tanzania Studies Association, African Studies Association, 1996-99
 Listserv facilitator, Tanzanian Studies Association, African Studies Association, 1996-99
 Co-Convener, Women's Caucus, African Studies Association, 1999-2001
 Steering committee member, 1997-1999, 2002-2003
 InWomen Workshop, Planning Committee and Roundtable leader, NIDA International Meeting
 2011 (2010-11)
 Global Health Connections Committee, International Health Section, APHA, 2007-10
 Leadership Committee, International Health Section, APHA, 2007-10
 Section Council Nomination, 2007, International Health Section, APHA

Peer Review for Promotion

Department of History, Portland State University (2015)
 Department of Anthropology, University of Kansas (2014)
 Department of Kinesiology & Health Sciences, The College of William & Mary (2014)

Other Service, Scholarly Organizations and Institutions

External Reviewer, Michigan State University, Alliance for African Partnership grant proposals,
 2017
 M.Med Committee Member, Charles Lova, M.D., Department of Psychiatry and Psychology,
 Muhimbili University of Health and Allied Sciences, 2017-
 Primary Advisor and Supervisor, Daima Bukini, Ph.D. student, School of Public Health,
 Muhimbili University of Health and Allied Sciences, 2016-
 Reviewer, Virchow Prize Committee, Critical Medical Anthropology, American Anthropology
 Association, 2016
 Evaluator, MacArthur Fellowship, 2016
 Organized four Ebola-related events on behalf of the African Studies Association (ASA) Board
 of Directors and the ASA's Health and Medicine Coordinate Association for the 57th Annual
 Meeting of the African Studies Association, Indianapolis, IN, November 2014.
 External Committee Member, MA Thesis, Rita Wilbur, Texas Southern University, History
 Department (2013-).
 Reviewer, Schweitzer Fellows Program, 2011 and 2014.
 Mentor, Dr. Omary Ubuguyu. MA Thesis. Medical School, Department of Psychiatry, Muhimbili
 University of Health and Allied Sciences, 2012-2013.
 Global Ethics Working Group, Texas Medical Center, 2007-2013.
 Co-chair and mentor, Workshop on Dissertation Research, African Studies Association Annual
 Meeting, Philadelphia, November 2012.
 Discussant, Love and Sex in Islamic Africa Workshop, Tulane University, New Orleans,
 September 2012.
 Trainer and facilitator, Needs Assessment of IDUs in Kenya, Post-heroin Drought, Office of the
 U.S. Global AIDS Coordinator, PEPFAR, March, 2012.
 Mentor, AIDS 2012 Conference Abstract Mentor Programme, 2011-2012.
 External Committee Member, MA Thesis, Cassian Nyandindi, Medical School, Department of
 Psychiatry, Muhimbili University of Health and Allied Sciences, (2010-11).
 External Committee Member, MA Honors Thesis, Monalisa Chandra, University of Houston,
 Sociology Department, (2010-11).
 External Committee Member, MA Thesis, Carol Mitchell, Texas Southern University, History
 Department (2010).

Organizer and moderator, International Health invited panel, “Histories of International Public Health Initiatives,” Annual Meeting of the American Association of Public Health, November 2009, Philadelphia, PA.
 External Committee Member, Theodora Bali, University of Connecticut, Anthropology Department (2008 graduate).
 External Reviewer, Ph.D. Qualifying Exam, Theodora Bali, University of Connecticut, Anthropology Department, 2007.
 International NIDA 2008 Annual Meeting Planning Group, Qualitative Session.
 Reviewer, 2004-2009, HIV/AIDS abstracts for the APHA Annual Meetings.
 Reviewer, 2007, International Health abstracts for the APHA Annual Meetings.
 Reviewer, 2005, United States Conference on AIDS, International Issues.
 Discussant, Internal Review Board Case Studies, the International Health Ethics Conference, Houston, April 2003.

- 2017 Instructor, Qualitative Methods and Analysis, Center for Medical Ethics and Health Policy, Baylor College of Medicine.
- 2015-16 Research design, ethics, and analysis support, National Institute for Medical Research-Mbeya Medical Research Programme Tanzania, "A qualitative study on factors delaying integration of vaccine induced sero-positivity testing in the National HIV Counseling and Testing Guidelines in Tanzania."
- 2015 Qualitative Analysis, Pangaea Global AIDS Foundation, NIDA R01, Integrated medication-assisted treatment in Tanzania.
- 2011 Lead trainer/supervisor, CDC/PEPFAR, USAID, Kenya Medical Research Institute, Investigation into the effects of the heroin drought of 2010.

COMMUNITY SERVICE

- Facilitator and moderator, 'Screenagers' documentary, Dar es Salaam, Tanzania, July 2017.
- Chair, Innovations and Transformations in Public Health Higher Education, Carnegie Corporation of New York panel, at the 59th Annual Meeting of the African Studies Association, Washington, DC, December, 2016.
- Organizer and Reviewer, H3Africa Education and Coordinated Training Working Group, Fellows poster abstracts, NIH & Wellcome Trust, H3Africa Consortium Meeting, Senegal, May 2016.
- Invited Speaker, 'Cultural Competency in Healthcare,' Baylor College of Medicine, Houston, March, 2016.
- Invited Speaker, 'HIV/AIDS and heroin recovery in Tanzania,' UT Medical School, January 2016.
- Invited Speaker, 'Conducting research on sensitive topics with high-risk populations in Africa,' International Health Track, Baylor College of Medicine, Houston, Spring 2012-2015.
- Planning Committee, Houston Area African Studies Group, 2004-.
- Invited speaker, 'International Research Projects,' Clinical Trials Resource Center. University of Texas Medical School, August 2014.
- Committee Member, Development of the National Methadone Scale up Plan with Tanzanian Ministry of Health and Social Work, 2014.
- Invited speaker, "Development, social change and changing drug use practices in Tanzania," Global Health Program, School of Medicine, University of Texas-Houston, April 2014.
- Invited speaker, "HIV/AIDS in Africa," Anthropology of HIV/AIDS, Department of Comparative Cultural Studies, University of Houston, November 2013.
- Consultant, Tanzanian Lesbian and bisexual network's community based participatory research project to improve the community's health and social support. August 2012-.
- Invited speaker, 'Connecting Houston to the Global Human Trafficking Discourse,' Doctors for Change, Baylor College of Medicine, Houston, May 2013.
- Invited speaker, 'Conducting research on sensitive topics with high-risk populations in Africa,' International Health Track, Baylor College of Medicine, Houston, May, 2012, March 2013.
- Judge, Beyond Traditional Borders program, Bioengineering Department, Rice University, Houston, April 2009, 2010, 2012-14.
- Planning committee, Houston Area African Studies Group, 2004-2014.
- Invited speaker, 'Considering the intersections of the trafficking of people and things,' Rice University, Undergraduate Human Trafficking Seminar, October 2012.
- Judge, Faculty oral presentations, Research week, Texas Southern University, April 2012.

- Invited speaker, ‘Public health initiatives with high risk populations in Tanzania,’ AP Geography class, Milby High School, Houston, October 2011.
- Co-captain and Street Team member, Downtown Staging Area, Homeless Census with Healthcare for the Homeless, Houston, January 2011.
- Invited speaker, ‘HIV Prevention among IDUs in Tanzania,’ Rice University, Global Health Course GLHT 201: Bioengineering & World Health, Houston, Texas, October 2010.
- Invited speaker, ‘Social justice and harm reduction needs in Tanzania,’ St. Edmond’s High School, Social Justice, Religion, and Government classes, Fort Dodge, IA, September, 2010.
- Invited speaker, ‘Local healers, infertility and subfecundity in Kigoma, Tanzania,’ Anthropology Department, San Jacinto Community College, Pasadena, Texas, October, 2009.
- Invited speaker, ‘Health care workers’ roles in identifying victims of human trafficking,’ Human Trafficking Health Care Training Conference, sponsored by Houston Rescue and Restore Coalition, September 2007-2008, Houston.
- Invited speaker, ‘Gender and HIV/AIDS in Africa,’ World Affairs Council of Houston, Intern Summer Series, June 2008.
- Invited speaker, ‘HIV and hard to reach populations in Africa, Anthropology of HIV course, University of Houston, March 2008.
- Invited speaker, ‘HIV/AIDS and drug use in Africa,’ Prep for Wharton County High School Debaters Competition, Boling High School, Boling, Texas, October, 2007.
- Guest lecturer, TSU, History course, “Women and Empire,” discussed my co-edited volume, *“Wicked” Women and the Reconfiguration of Gender in Africa*, November, 2009, March, 2007.
- Board member, Saving Lives through Alternative Options (SLAO), Houston community based organization, 2003-2008.
- Board member, People with AIDS, Houston community based organization, 2005-2007.
- Guest lecturer, ‘International women's health issues and the global gag rule.’ Women’s Health Elective, Baylor College of Medicine. November 2005.
- Guest lecturer, “‘Flashblood”, needle sharing, and condom use among heroin injectors in Dar es Salaam, Tanzania,’ Center for AIDS Research, Baylor College of Medicine, September 2005.
- Guest lecturer, ‘Cultural differences amongst your potential study participants,’ presented to the Introductory Course on Clinical Research at UTHSC-H for Clinical Fellows, University of Texas Medical School, August, 2004.
- Guest lecturer, ‘Structural Violence,’ presented in the Sociology course “Interpersonal Violence,” at Rice University, April 2004.
- Guest lecturer, ‘Qualitative research and analysis,’ presented to the Fellows Program, Texas Children’s Hospital, Nutrition Research Center, February 2003.
- Board member, Maya’s Place, Houston community based organization providing HIV information and counseling to underserved women, 2002-2003.
- Guest lecturer, ‘Examining venereal disease in British colonial Tanganyika,’ presented in the "History of Medicine" course, Baylor College of Medicine, May 2001.

UTHEALTH, SPH SERVICE

- Faculty Lead, MSN-MPH dual degree program, 2017-.
- UTHealth President’s Advisory Panel on International Travel, member, 2014-2017.
- Member, Sixth-Year Review Committee, 2016-17.
- Member, Third-Year Review Committee, 2016-17.
- Coordinator of CHPPR Global Initiatives, Center for Health Promotion and Prevention Research, 2016-.
- Judge, UTHealth Research Day April 6, 2017.

Judge, Health Promotion and Behavioral Sciences Department student poster competition for John P. McGovern Lecture Series honoring L. Kay Bartholomew Eldrege, February 2016-17.

Search committee member, Community Health Practice Faculty, 2012-14.

Neuroscience Strategic Planning Workshop, UT Medical School, July 2014.

Faculty advisor, Multi-Cultural Dinner and Issues in Human Trafficking, 2013.

Speaker, “Conducting Ethical Research with Vulnerable Populations,” Annual Retreat, UT Health Science Center, Committee for the Protection of Human Subjects, October 2012.

Facilitator/Coordinator, UThealth and African Union Cooperative Agreement for the Training of Community Health Care Workers with GuideVue for the Reduction of Maternal, Neonatal, Infant and Child Mortality, 2010-ongoing.

UThealth, SPH representative to the School Health Advisory Committee to the Houston Independent School District, 2010-.

Speaker, Research and Service in Africa, Panel discussion, 7th Annual Multicultural Potluck Dinner, March 2012, Global Health Concentration, UTHEALTH, SPH.

Facilitated SPH & Biomedical Informatics faculty/student meetings with Uganda Fulbright scholar, Dr. Mugimu, Makerere University, who works on HIV prevention and E-learning for school curricula, February 2012.

Guest lecturer, Translating research to practice with heroin users in Tanzania: Treatment desire and realities, Global Health Seminar, February 2012.

Guest lecturer, Principles and Practice of Public Health, Summer UTHEALTH, SPH course, May 2011.

Continuing Education Health Network committee, developing new format for short courses, 2010.

Speaker, World AIDS Day, UTHEALTH, SPH student organized candlelight vigil, December 2009.

Admissions Representative, Behavioral Sciences, UTHEALTH, SPH, 2009, 2002.

UT Committee on the Status of Women, UTHEALTH, SPH faculty representative, 2006-2009. MC for the CSW Annual Banquet, December 2007.

Health Promotion and Behavioral Sciences, UTHEALTH, SPH, Committee to establish CHES credits for Continuing Education Network Courses, 2007-08.

Health Promotion and Behavioral Sciences, Admissions subcommittee, 2005-8.

Faculty presentation and panel participation, World AIDS Day, UTHEALTH, SPH, December 2008.

Facilitated the creation of two endowed research scholarships (\$5000) for UTHEALTH, SPH students when the Houston People with AIDS CBO folded, 2007.

Faculty Council, Health Promotion and Behavioral Sciences representative, UTHEALTH, SPH, 2005-7.
