PhD and DrPH Epidemiology Preliminary Examination Intent Form: Spring 2017

### EXAM DATES
May 17, 2017 (Backup Date May 18, 2017)

### INTENT FORM SUBMISSION PERIOD
2/1/2017 – 3/8/2017

Students who plan to take the Preliminary Examination (PE) must submit a completed intent form, official or unofficial transcript (e.g. from myUTH), any additional required documentation, and if it is a repeat exam, a copy of the completed Remediation Plan by the dates indicated above. Students must be registered, or on an official leave of absence, in the semester prior to the exam date.

**Date:** ______________

**Student ID:** ________

**Name (as it appears in student records/Last, First, MI):** __________________________

**Entry into doctoral program:** Semester ___________ Year: ___________

**# of credits in doctoral program:** ___________ **# of credits currently enrolled:** ___________

**Exam date (circle one):** May 17, 2017

**Campus where exam will be taken (circle one):** Austin Brownsville Dallas Houston San Antonio

To be eligible for the Exam, students must have received a grade of B or higher or a “P” in the classes listed below. Students who are currently enrolled in a required course must submit an updated transcript at the end of the semester.

Students who have a grade lower than a B (or an F in a P/F course) in any of these courses are advised to re-take the class, for credit, before taking the exam. However, the student and his/her advisor may develop an alternate remediation plan. Students who have undertaken an alternative remediation plan must submit a description of the alternate plan and evidence that the plan has been completed. Students who have received an exemption from any of the courses listed below must provide a copy of the approved course waiver ([https://sph.uth.edu/content/uploads/2010/08/Epidemiology-Course-Waiver-Form-.pdf](https://sph.uth.edu/content/uploads/2010/08/Epidemiology-Course-Waiver-Form-.pdf)).
