

# Metal Air Pollution Partnership Solutions (MAPPS)

The University of Texas School of Public Health, Rice University, the Houston Department of Health and Human Services-Bureau of Pollution Control and Prevention, and Air Alliance Houston are researching metal recycling emissions in these neighborhoods: East Lawndale, South Park, Magnolia Park, and Northside Village/Fifth Ward.

**Please contact us if you have questions about this research project:**

- **Air Alliance Houston**  
713-528-3779  
juan@airalliancehouston.org
- **UT School of Public Health**  
713-500-9466  
mapps@uth.tmc.edu

**Concerns about a recycling facility?**

Call the City of Houston at 311 or your local metal recycling facility
