Students wishing to pursue concurrent MPH and MSN degrees may apply to the integrated program available through the School of Public Health (SPH) and The University of Texas School of Nursing at Houston (SON).

Those interested in the program must be admitted separately to each School and must meet the admission and degree requirements of each School. Students in the dual degree program can meet the requirements of both degree programs with fewer credit hours than if the degrees were earned separately. Shared credits include:

<table>
<thead>
<tr>
<th>Course</th>
<th>Substitutes</th>
<th>UT SPH Credit</th>
<th>UT SON Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>N 6103: Informatics and Healthcare Technologies</td>
<td>PH Elective</td>
<td>3</td>
<td>3</td>
</tr>
<tr>
<td>PH 1690: Biostatistics</td>
<td>N 5506</td>
<td>4</td>
<td>2</td>
</tr>
<tr>
<td>PH 2610: Introduction to Epidemiology</td>
<td>N 6101W</td>
<td>3</td>
<td>3</td>
</tr>
<tr>
<td>N 6752: FNP Preceptorship</td>
<td>PH 9997</td>
<td>3</td>
<td>6</td>
</tr>
<tr>
<td>N 6105: Evaluation and Application of Research</td>
<td>PH 9998</td>
<td>1</td>
<td>3</td>
</tr>
</tbody>
</table>

Part-time and full-time enrollment is an option. Typically it will take students 3-4 years to complete both degrees.

**School of Public Health Majors**
- Biostatistics
- Epidemiology, Human Genetics, and Environmental Sciences
- Health Promotion and Behavioral Sciences
- Management and Policy
- Customized

**School of Nursing Majors**
- Adult Gerontology Acute Care
- Adult Gerontology Primary Care
- Family Nurse Practitioner

Students enrolled in this program will emphasize public health skills at SPH, clinical skills at the SON, and the combining of these skills through courses that are taught by faculty from both schools. Students who are contemplating entering the dual degree program are strongly encouraged to seek further information before applying.
