Date: _____

Student ID: _____ Name (as it appears in student records/Last, First, MI): _____

Entry into doctoral program: Semester _____ Year: _____

of credits *in doctoral program*: _____ # of credits currently enrolled: _____

Exam date (circle one): January 6, 2016 May 25, 2016

Campus where exam will be taken (circle one): Austin Brownsville Dallas Houston San Antonio

To be eligible for the Exam, students must have received a grade of B or higher or a “P” in the classes listed below. Students who are currently enrolled in a required course must submit an updated transcript at the end of the semester.

Students who have a grade lower than a B (or an F in a P/F course) in any these courses are advised to re-take the class, for credit, before taking the exam. However, the student and his/her advisor may develop an alternate remediation plan. Students who have undertaken an alternative remediation plan must submit a description of the alternate plan and evidence that the plan has been completed.

Students who have received an exemption from any of the courses listed below must provide a copy of the approved course waiver (<https://sph.uth.edu/content/uploads/2010/08/Epidemiology-Course-Waiver-Form-.pdf>).
