

The University of Texas

Institute for Health Policy

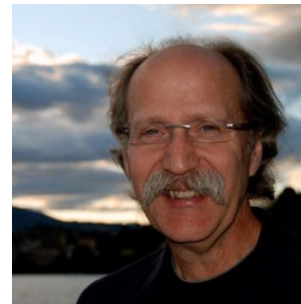

AT THE UNIVERSITY OF TEXAS SCHOOL OF PUBLIC HEALTH

Dr. Linder is a Professor at the University of Texas School of Public Health in the Department of Management, Policy & Community Health and Director of the School's Institute for Health Policy. He also serves as Associate Director of the Texas Medical Center's Health Policy Institute.

He received his Doctorate in Political Science from the University of Iowa and served on the Faculties of UCLA and of Tulane University before coming to the School of Public Health. He has received teaching awards from the McGovern Foundation, the Minnie Stevens Piper Foundation and the University of Texas Board of Regents. He was recently named a UT Distinguished Teaching Professor and appointed to the UT System Academy of Health Science Education.

Dr. Linder leads the TMC/72 project, is the academic lead in Houston for Cities Changing Diabetes and heads the 2016 Health of Houston Survey.

Stephen H. Linder, Ph.D.
Director
