

Date: December 1, 2022

To: Payors that issue, sponsor, or administer a plan subject to reporting under 28 TAC §21.5401.

From: Center for Health Care Data

Reference: Notice of the timeline for the commencement of historical data submission

The Center for Health Care Data (CHCD), administrator of the Texas All-Payor Claims Database (TX-APCD), issues this notice to payors to submit a historical data set with the TX-APCD pursuant to 28 TAC §21.5405 (b)(2).

Historical data submission will commence on **April 3, 2023**. Required submitters must see that the historical data is submitted no later than **June 30, 2023** and is comprised of claims data from January 2019 through October 2022; or to the submitter's first monthly data submission to the TX-APCD. For most payors, the expected first monthly data submission will be November 2022 data provided during the March monthly submission period.

If you have questions concerning this notice, please contact the TX-APCD by email at txapcd@uth.tmc.edu.
