

Date: February 20, 2023

To: Payors that issue, sponsor, or administer a plan subject to reporting under 28 TAC §21.5401.

From: Center for Health Care Data

Reference: Notice of Extension of Compliance Dates

The Center for Health Care Data (CHCD), administrator of the Texas All-Payor Claims Database (TX-APCD), issues this notice to payors of a change to the compliance dates previously announced.

Please note: These are new dates supplanting the previous dates communicated in previous notices.

Monthly data submission will commence on **April 1, 2023**. Pursuant to 28 TAC §21.5405 (a)(11), the data must be submitted no later than **April 7, 2023** and is comprised of December 2022 adjudicated claims data.

Historical data submission will commence on **May 1, 2023**. Required submitters must see that the historical data is submitted no later than **July 31, 2023** and is comprised of claims data from January 1, 2019 to the submitter's most recent monthly data submission. For most payors the most recent monthly data submission will now be December 2022 data provided on April 1-7, 2023.
