YOUR KID HALF A BACKPACK.**

**IT'S ALL FOR THEM.
GET ALL THE VACCINES.**

Revere Middle School Parents!

To help you protect your children's health, we'll be hosting free drive-through vaccination clinics for your middle school students (and their siblings) so your children can get all of their recommended shots.

The clinics will be sponsored and run by doctors and staff from Texas Children's Hospital®. Shots will be given by appointment only.

You must call **832-824-6786** by **1/19/21** and give the code "**ALL5**" to make an appointment for your children. You may need to leave a message, and the mobile clinic staff will return your call.

Please bring ALL of your children's immunization records on the day of the clinic. You and your children will need to wear a mask, and the vaccines will be given with you and your children sitting in your car.

Remember, these vaccines are important for your children's health and well-being. **ALL is better than some, so make sure they get ALL the vaccines.**

Clinics will take place in the parking lot at **REVERE MIDDLE SCHOOL**

on:

**JANUARY 22, 2021 &
