TAKÉ CARE, TEXAS
GET TESTED TO KEEP TEXAS OPEN.

WHEN TO GET TESTED
even if you're fully vaccinated

- If you feel sick or have any COVID-19 symptoms
- If you have been around someone with COVID-19
- After spending time in a large crowd or enclosed space without a mask
- When requested by your school, workplace, healthcare provider, or local government

HELP STOP THE SPREAD
You can spread COVID-19 to your loved ones, even if you're vaccinated or feel fine

- Get your vaccine and booster as soon as possible, even if you've had COVID-19
- Wear a mask in public and social distance when possible
- Go to a COVID-19 testing site or take a self-test when needed
- Unvaccinated COVID-19 patients have a greater risk of hospitalization and death

Based on CDC guidelines from 12/1/2021
