

2024 SYMPOSIUM ON SPATIAL-TEMPORAL DATA SCIENCE FOR POPULATION HEALTH

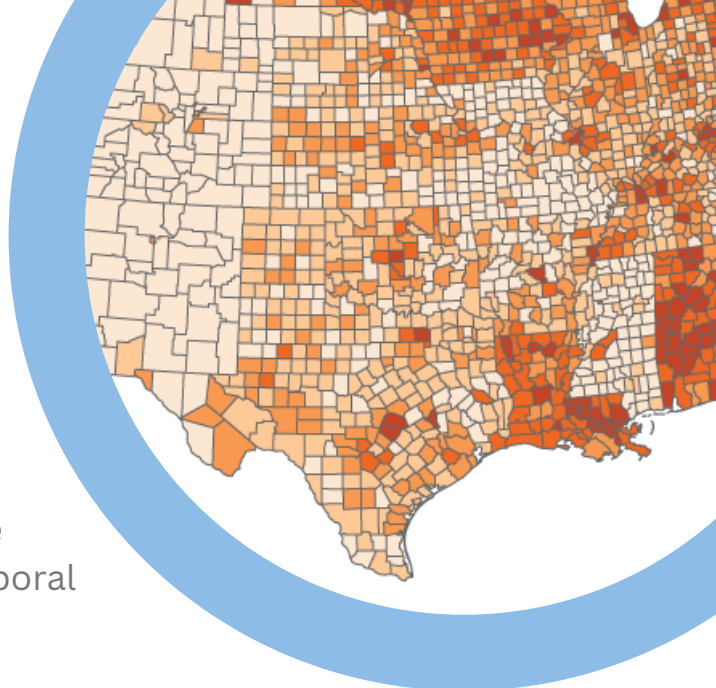

Date: Friday, March 1

Time: 9am - 4pm

Location: Cooley Center

(7440 Cambridge St, Houston, TX 77054)

Learn about cutting-edge research and innovative approaches offered by the Center for Spatial-Temporal Modeling for Applications in Population Sciences (CSMAPS).

OPENING REMARKS

Eric Boerwinkle, PhD
Dean

UTHealth Houston School of Public Health

KEYNOTE SPEAKERS

Blake Hanson, PhD
Assistant Professor

UTHealth Houston School of Public Health
Epidemiology, Human Genetics & Environmental Sciences

GUEST SPEAKERS

David Berrigan, PhD
Program Director

National Cancer Institute, Division of Cancer Control and Population Sciences
Behavioral Research Program

Maria Fernandez, PhD
Professor

UTHealth Houston School of Public Health
Health Promotion and Behavioral Sciences

Qian Xiao, PhD
Associate Professor

UTHealth Houston School of Public Health
Epidemiology, Human Genetics & Environmental Sciences

Wenjun Li, PhD
Professor

UMass Lowell Zuckerberg College of Health Sciences, Center for Health Statistics and Biostatistics Core, Health Statistics and Geography Lab

Jennifer Deegan, MPAff
Vice President

UTHealth Houston Office of the EVP and Chief Academic Officer
Health Policy and Systems Strategy

Kelly Nelson, PhD
Professor

MD Anderson, Division of Internal Medicine
Dermatology

2024 SYMPOSIUM AGENDA

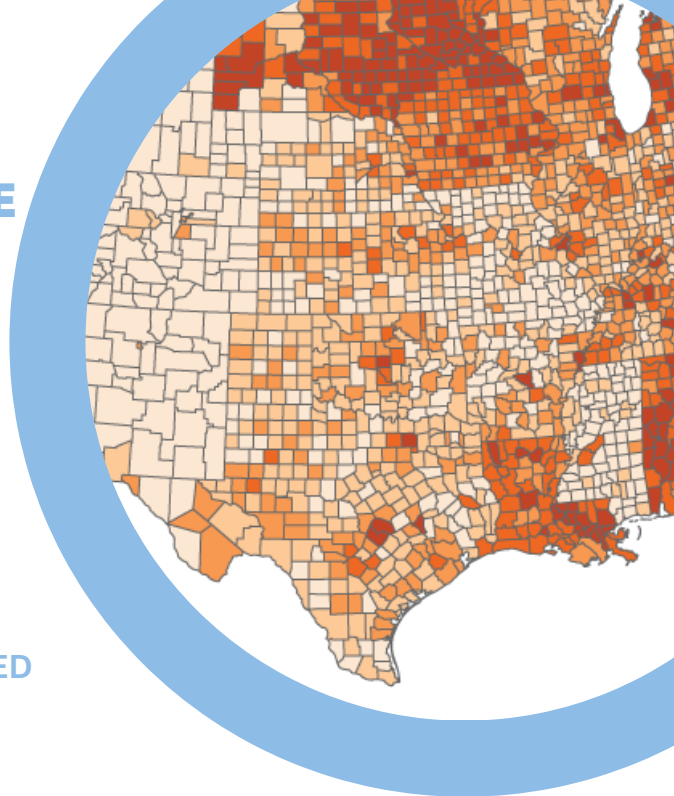

SPATIAL-TEMPORAL DATA SCIENCE FOR POPULATION HEALTH

Date: Friday, March 1, 2024

Time: 9am - 4pm

Location: Cooley Center

7440 Cambridge St, Houston, TX 77054

8:30am-9:00 am **CHECK IN**
BREAKFAST REFRESHMENTS PROVIDED

9:00am-9:15 am **WELCOME AND OPENING REMARKS**
Eric Boerwinkle, PhD
Dean, UTHealth Houston School of Public Health

MORNING SESSIONS

9:15a-9:45a COVID-Variant Project
Blake Hanson, PhD
Assistant Professor

9:45a-10:15a RADx Project
Maria Fernandez, PhD
Vice Pres., Director, Professor

10:15a-10:45a Environmental Change
Qian Xiao, PhD
Associate Professor

10:45a-11:15a TEPHI Wastewater Surveillance
Jennifer Deegan, MPAff
Vice President

11:15a-11:45a CPRIT Melanoma Project
Kelly Nelson, PhD
Professor

11:45a-12:30p (LUNCH PROVIDED)

AFTERNOON SESSIONS

12:30p-1:00p Funding Opportunities
David Berrigan, PhD
Program Director

1:00p-1:30p Experience and Success:
Health Statistics and Geography
Lab Startup
Wenjun Li, PhD
Chair, Director, Professor

1:30p-2:15p Center for Spatial-Temporal
Modeling for Applications in
Population Sciences (CSMAPS)
Various Center Faculty/Staff

2:15p-2:30p CSMAPS Closing Remarks
Cici Bauer, PhD
Director, Associate Professor

2:30p-3:30p (STUDENT POSTER PRESENTATIONS)

3:30p-4:00p (NETWORKING)

 **UTHealth Houston**
School of Public Health

Center for Spatial-Temporal
Modeling for Applications
in Population Sciences
