

Brianna F. Moore, Ph.D.

Assistant Professor
Department of Epidemiology, Human Genetics and Environmental Sciences
The University of Texas School of Public Health
1616 Guadalupe Street, Room 6.342
Austin, TX 78701
phone: 512-391-2524
brianna.moore@uth.tmc.edu

Education

- Ph.D. in Environmental Health, Epidemiology Specialization 2015.
Colorado State University
- Honors: 2015 Environmental Health Outstanding Graduate Student Researcher
- M.S. in Health Sciences 2012.
The University of Texas at Tyler
- Honors: Phi Kappa Phi National Honor Society (top 10% of Graduate School)
- B.S. in Health Studies 2010.
The University of Texas at Tyler
- Honors: Graduated *cum laude*; President's Honor Roll; Alpha Chi Honor Society

Current Position

Assistant Professor 2020–Present.
The University of Texas Health Science Center School of Public Health in Austin

Research Experience

- Postdoctoral Fellow 2016–2019.
Colorado School of Public Health, University of Colorado Anschutz Medical Campus
- Statistical Consultant (part-time position) 2016–2017.
Vermont Department of Health
- Postdoctoral Fellow (part-time position) 2016.
Colorado State University
- Graduate Research Assistant 2012–2015.
Colorado State University
- Graduate Research Assistant 2010–2012.
The University of Texas at Tyler

Funding

Early-life exposure to secondhand smoke and childhood obesity 2018-Present.
National Institute of Environmental Health Sciences K99/R00ES028711
Role: PI

Secondhand smoke exposure and metabolic disorders among US children 2014-2015.
American Heart Association 14PRE18230007
Role: PI-Fellow

Obesity, eating habits, and body dissatisfaction among Texas adolescents 2010.
UT Tyler Office of Sponsored Research
Role: PI-Trainee

3. **Moore BF**, Sauder KA, Ringham BM, Glueck DH, Dabelea D. Neonatal adiposity predicts childhood overweight and obesity in the Healthy Start study. *In preparation*.

Conference Presentations

Presenter is indicated by an asterisk.

1. **Moore BF***, Shapiro AL, Wilkening G, Magzamen S, Starling AP, Allshouse WB, Adgate JL, Dabelea D. "Fetal exposure to tobacco and offspring neurodevelopment in the Healthy Start study." Poster presentation at the International Society for Environmental Epidemiology (ISEE). Utrecht, Netherlands. August 25-29, 2019.
2. Hockett CW*, Starling A, **Moore BF**, Bellatorre, A, Aalborg J, Sauder K, Scherzinger A, Garg K, Ringham BM, Glueck DH, Dabelea D. "Adiposity and cardiovascular markers in offspring of women with diabetes during pregnancy." Oral presentation at the 78th American Diabetes Association Scientific Sessions. Orlando, Florida, United States. June 22-25, 2018.
3. **Moore BF***, Sauder KA, Hébert JR, Shivappa N, Ringham BM, Glueck DH, Dabelea D. "Dietary inflammatory potential during pregnancy, maternal obesity, and neonatal body composition: the Healthy Start study." Oral presentation at the 77th American Diabetes Association Scientific Sessions. San Diego, California, United States. June 9-13, 2017.
4. **Moore BF***, Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. "Interactions between diet and exposure to secondhand smoke on glycosylated hemoglobin (HbA1c) levels among children, NHANES, 2007-2010". Poster presentation at the 2016 Epidemiology Congress of the Americas Meeting. Miami, Florida, United States. June 21-24, 2016.
5. **Moore BF***, Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. "Interactions of diet and secondhand smoke on the prevalence of metabolic syndrome among children, NHANES, 2007-2010". Poster presentation at the 48th Society for Epidemiologic Research Annual Meeting. Denver, Colorado, United States. June 16-19, 2015.

6. **Moore BF***, Clark ML, Bachand A, Reynolds SJ, Nelson TL, Peel JL. “Interactions of diet and secondhand smoke on the prevalence of obesity among children, NHANES, 2007-2010”. Poster presentation at the 48th Society for Epidemiologic Research Annual Meeting. Seattle, Washington, United States. June 24-27, 2014.
7. Good N*, Carpenter T, **Moore BF**, Clark M, Kayne A, Koehler K, L’Orange C, Stuart A, Peel J, Volckens J. “The Fort Collins Commuter Study: Multi-pollutant spatio-temporal exposure assessment.” Peer-reviewed abstract presented at the 2013 Conference Environment and Health – Bridging South, North, East and West; Conference of ISEE, ISES and ISIAQ, Basel, Switzerland. Basel, Switzerland, Europe. August 19-23, 2013.
8. **Moore BF***, Pérez A, Sorensen W, Gosselin K, Perez A, Ballard J. “Diet-related behaviors, perceived social norms and obesity among Texas adolescents.” Poster presentation at the 10th International Functional Foods in Health and Disease Conference. Santa Barbara, California, United States. March 13-15, 2012.
9. **Moore BF***, Pérez A, Sorensen W, Gosselin K, Perez A, Ballard J. “Diet motivations and body dissatisfaction among adolescent females”. Poster presentation at the Alpha Chi National Scholarship Honor Society Convention. Little Rock, Arkansas, United States. March 25-27, 2010.

Teaching Experience

Assistant Instructor for *EPID 7912: Developing a Research Grant* Fall 2019.
Colorado School of Public Health, University of Colorado Anschutz Medical Campus

- Provided critical feedback on grant proposals to 11 PhD and MD students.

Assistant Instructor for *EPID 6630: Epidemiology* Fall 2017.
Colorado School of Public Health, University of Colorado Anschutz Medical Campus

- Taught six lectures throughout the semester to a large (130 student) introductory course for the MPH program.
- Held weekly scheduled meetings with students to discuss course topics in depth.

Academic and Professional Service

Organizer for *The Department of Epidemiology seminar series* 2017–2018.
Colorado School of Public Health, University of Colorado Anschutz Medical Campus

Journal Referee: *International Journal of Environmental Research and Public Health*,
International Journal of Pediatric Obesity, Nutrition, Pediatrics.

Last updated: January 29, 2020
