• In this study you are being asked to answer questions about your food choices and physical activity (exercise). **No one at school or at home will see your answers.**

• An adult will weigh you, measure your height, and write the results on the last page of the survey.

• Taking part in this project is up to you. Your choice about taking part will not affect your grades in school or your ability to take part in any school activities.

• If you do not want to answer a question, you can skip it.

• You may stop taking part in this project at any time.

• After you complete the survey and are measured for height and weight, this page with your name on it (Student Assent) will be removed. Your name will never be used after that.

• By signing below, you agree to take part in this project.
