• In this study you are being asked to answer questions about your food choices, physical activity (exercise), and your household. No one at school or at home will see your answers.

• An adult will weigh you, measure your height, and write the results on the last page of the questionnaire. Your height and weight might be shared with the school for their records.

• Taking part in this project is up to you. Your choice about taking part will not affect your grades in school or your ability to take part in any school activities.

• If you do not want to answer a question, you can skip it.

• You may stop taking part in this project at any time.

• After you complete the survey and are measured for height and weight, this page with your name on it (Student Assent) will be removed. Your name will never be used after that.

• By signing below, you agree to take part in this project.

School Physical Activity and Nutrition (SPAN) Project
Student Survey
8th/11th Grade

The following questions are about what students your age eat, what they know about nutrition, and their physical activity (exercise). Your answers will help us learn about students in Texas and will be used to design better health programs. Read each question carefully and pick the answer that is true for you. Mark that answer on your survey as shown in the example below. **This is not a test, and there are no right or wrong answers. Remember, your answers will be kept private.**

**Marking Instruction:** Fill in bubble(s) completely. Please Use #2 Pencil. To change your answer, erase completely.

1. **What grade are you in?**

School Physical Activity and Nutrition (SPAN) Project

Student Assent

YOUR NAME: ________________________________

SCHOOL: ________________________________

GRADE: ________________________________

YOUR TEACHER’S NAME: ________________________________

• In this study you are being asked to answer questions about your food choices, physical activity (exercise), and your household. No one at school or at home will see your answers.

• An adult will weigh you, measure your height, and write the results on the last page of the questionnaire. Your height and weight might be shared with the school for their records.

• Taking part in this project is up to you. Your choice about taking part will not affect your grades in school or your ability to take part in any school activities.

• If you do not want to answer a question, you can skip it.

• You may stop taking part in this project at any time.

• After you complete the survey and are measured for height and weight, this page with your name on it (Student Assent) will be removed. Your name will never be used after that.

• By signing below, you agree to take part in this project.

The following questions are about what students your age eat, what they know about nutrition, and their physical activity (exercise). Your answers will help us learn about students in Texas and will be used to design better health programs. Read each question carefully and pick the answer that is true for you. Mark that answer on your survey as shown in the example below. This is not a test, and there are no right or wrong answers. Remember, your answers will be kept private.

1. What grade are you in?  
   - 8th
   - 11th

2. What is your birth date?
