Thursday, January 18, 2018 - Houston, TX

Occupational Medicine Journal Club

The SWCOEH Occupational Medicine Journal Club is an educational opportunity to debate the results of recently published research. The ultimate goal of this series is to promote the optimal health and safety of workers, workplaces and the environment. We welcome physicians, nurses, safety professionals, industrial hygienists, epidemiologists and graduate students involved in occupational health practice or research. Location varies and seating is limited.

Registration Fee: Free Activity, Registration Required.

1 CME Credit - This Live series activity, OM Journal Club 2017-2018, from 10/19/2017 - 05/17/2018, has been reviewed and is acceptable for credit by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is approved for 1.0 AAFP Prescribed credits.

Thursday, February 15, 2018 - Houston, TX

Greater Houston Industrial Hygiene Council

The Greater Houston Industrial Hygiene Council (GHIHC) is an informal group of industrial hygienists and safety professionals who meet six times per year to discuss trends in the safety profession, share challenges (and their solutions), and network with their peers in an educational setting. Industry professionals provide practical lessons in management, equipment, and compliance. Academic experts present the latest in research and technology. **No membership fees. Lunch is provided.**

Registration Fee: \$70.00 for each meeting.
Includes Lunch and Continuing Education Units.

0.6 CEUs based on 6 Contact Hours, according to the standards of the International Association for Continuing Education and Training and the requirements for 1 Industrial Hygiene Certification Maintenance Points (Category 4) as set forth by the American Board of Industrial Hygiene.

Radium Girls: A Conversation with Author Kate Moore

The Southwest Center for Occupational and Environmental Health at UTHealth Houston and Southwest Center for Agricultural Health, Injury Prevention and Education at UTHealth Northeast present this event in recognition of the 'American women from the Roaring Twenties who were poisoned by their work and courageously fought for justice.' Author Kate Moore and UTHealth faculty will discuss important ethical, medical and social issues surrounding the Radium Girls and the Roaring Twenties era. By the end of this session attendants will be able to apply accepted principles to the current role of employers and occupational health professionals in caring for worker health and safety.

Registration Fee: Free Activity, Registration Required.
Author will be available to sign books and refreshments will be served.

TxCOEM Symposium - TexMed 2018

The Texas College of Occupational and Environmental Medicine (TxCOEM) invites you to join us in San Antonio, Texas for a unique and FREE educational experience in occupational and environmental medicine. This event is held in conjunction with the annual TexMed conference.

Who should attend?

Physicians, medical students, residents and health care professionals practicing in the areas of occupational and environmental medicine and those interested in learning more about occupational and environmental medicine.

Registration: Registration is required and is **FREE** for the TxCOEM Symposium which grants access to other CME events at the TexMed annual Conference.

Continuing Medical Education (CME) provided through the Texas Medical Association for this activity. Determination of credit pending.

Friday, June 1, 2018 - Houston, TX

GeoMedicine: The Fundamental Health and Place

A geographic information system (GIS) lets us visualize, question, analyze, and interpret data to understand relationships, patterns, and trends. The system is designed to capture, store, manipulate, analyze, manage, and present all types of geographical data and textual data that have been spatially referenced.

Registration Fee: \$75.00 Regular Registration (ends May 15, 2018), \$85.00 Late Registration (May 16 - May 28, 2018). Fee includes continental breakfast & refreshments.

Continuing Medical Education (CME): Determination of credit is pending.

Certificate of Attendance provided for all other public health professionals in attendance.

June TBD, 2018 - Houston, TX

Houston Health Forum

The Houston Health Forum is an informal group of occupational medicine providers working in the petrochemical industry. Our mission is to collaborate and present leading research and best practices in the field of occupational health. The Forum meets 2-3 times per year thanks to the generosity of volunteer planners and hosts. Location varies in Houston area. The Houston Health Forum is also supported, in part, by The Texas College of Occupational and Environmental Medicine (TxCOEM), and the Southwest Center for Occupational and Environmental Health.

Registration Fee: Free activity, Registration required.

CME and lunch provided, sponsored by forum hosts.

Continuing Medical Education (CME) determination of credit is pending.

Thursday, June 21, 2018 - Houston, TX
