“*I am an Archer Fellow*”

My summer in Washington DC has changed the trajectory of the career I want as a future physician. Through the Archer Center I have learned so much about the complexities of healthcare policy and have gained the confidence to one day make an impact as both a future physician and policymaker. This fellowship, by far has enriched my medical education and I cannot wait to put the skills I have learned as an Archer Fellow to use!

THE UNIVERSITY OF TEXAS SYSTEM
FOURTEEN INSTITUTIONS. UNLIMITED POSSIBILITIES.
